JOIE RAY BREAKS 1000-YARD MARK

Chicago Star Clips Three-fifths of Second Off World's Record

OTHER TIMES BETTERED

New York, April 29 .- Joie W. Ray the little speed demon of the Illinois Athletic Club, created a new world record of two minutes, thirteen and twofifths seconds for 1000 yards at the special games of the Thirteenth Regiment Athletic Association in its Brooklyn armory last night. The national champion at this distance crased threefifths of a second from the former best figures which he held jointly with the late Lieutenant John W. Overton, of

In scoring his sensational victory, Ray defeated Jack R. Sellers, the local boy, upon whom easterners had based their hopes. However, Sellers proved that he was a victim of too much racing of late by finishing third. Second place went to Homer Baker, Glencoe Athletic Club, who finished seven yards in the wake of Ray, while Sellers was actually twenty-five yards back when Ray crossed the finish line.

Sellers Takes Lead

Sellers jumped off into a slow stride, followed by Baker, while Ray confidently sped along in third place. Windy City man remained in the same position for one lap when he sprinted into the van going up the backstretch. Neither Sellers nor Baker made a

serious effort to challenge Ray's move. During the next lap Ray showed the way at a faster pace than with his opponents holding on well.

After completing the second lap Ray began to pull away from his rivals, and Washington in a short time led Sellers by five yards, St. Louis. in a short time led Sellers by five yards. The latter seemed unable to show his old speed, and as the three athletes started on the final lap Baker shot past

The rangy Baker quickly closed in on Ray and it appeared at first as if he might catch the western athlete. However, after circling the final turn. Baker saw that this was impossible and slackened his pace. Sellers slowed down to a trot entering the stretch to continue to the tape.

Although three officials timed the race, only one of them actually caught Ray in his new world record time. This was Captain Charles J. Dieges, while Dr. A. K. Aldinger showed the effort of 2:13 1-5, while Chris J. Dalton's watch registered 2:13 3-5.

Murchison Smashes Record

Another world record was smashed when Loren Murchicon, of St. Louis, sped 220 yards in 223-5 seconds. This cffort erased one-fifth of a second from 10-1 the old mark. Murchison was opposed by Fred C. Teschner, who was second. and John J. Eller, who was third. However, these two athletes could from the mound after working two innever keep pace with Murchison, who nings.
