LOCAL SCHOOLS IN SWARTHMORE MEET

Thirty Teams Entered in Garnet's Twelfth Annual Interscholastic Carnival

23 EVENTS SCHEDULED

Swarthmore, May 3.—Over 200 representatives from some thirty-odd hools, scattered all over the Middle Atlantic States, poured into Swarthmore today to participate in the twelfth an-nual interscholastic track and field meet. Most frequent among the various chool colors are those of the Philadel-Test Philadelphia High, Roman Cath-High, Germantown Academy, New outhern, Temple Prep and St. Joseph's

No less numerous are the colors from the suburban schools, Wilmington High School, West Chester High School, Media High School, Moorestown High Kennett Square High School Chester High School, Lansdowne High school, Woodbury High School, Haver-High School, Swarthmore Prep School, laddonfield High School, Upper Darby High School, Radnor High School, Ridley Park High School, Downingtown High School and Johnsonburg High

Probably the strongest competition, wever, comes from some of the larger schools, such as Mercersburg, Baltiore Polytechnic Institute, George Wenonah Military Academy, Rochester Westtown Friends' School and Perkio

men Seminary. Last year the winner of the Swarthmore interscholastics was Baltimore and Media and Moorestown High tied for third. Central, which is the light in the control of the years almost invariably ran away with high honors and the Phoenix Cup, was only able to place fifth last year.

This year it is impossible to make any prediction as to the possible high Phorers. Mercersburg, a new entry in the Swarthmore interscholastics, comes with a championship relay team and a squad of some of the best athletes in the East. BANNER YEAR PLANNED FOR THE TRAPSHOOTERS

War Taught Americans Many | Titular Trapshooting Benefits of Sport—Thirteen State Championships Are Scheduled for This Month

THE trapshooting tournament season is on. Right now it looks as if trapshooting was in for its greatest year. This same statement, however, will go for every competitive outdoor sport. Golf and tennis are undergoing revivals—every one looking forward to the international matches in 1920.

The great war did one good thing, it taught the young men of the United States and Canada that they must give more attention to outdoor activities. And there are members of the Canadian Government who believe that every resident of the Dominion should know how to shoot. And with this idea up-permost it won't be long before traps. where every one can learn to shoot without cost, will be in operation in the public parks of no less than a dozen get going in earnest. Thirteen are listed

Capadian cities.
The international trapshooting tournament at St. Thomas, Ont., in June, been shot. All the state championships will be shot in Pinafore Park. It is the great value of trapshooting as a state in the national amateur champion-sport that it will make its greatest advance. . This despite the fact that trapshooting is today going ahead faster than any other sport.

Another Miller is almost certain to have a place on the team next fail. for Ray, the coungest of the family and a star on Penn's freshman eleven, looks like a varsity fixture. He should

perform just as well as Heinie or Allie and both were former captains. Folwell plans to stage something out of the ordinary this afternoon in the form of a scrimmage. This first spring clash is due to start at 1 o'clock and will end in time to enable the baseball men to get in a little practice before taking the field against Harvard.

Continued From Page One

They carry the punch and are likely to break up the old game at any time. The Boston clan is a good team, ac-cording to the dope from New England. The Crimson has not engaged any teams from this section, and it is hard to get any regular line on the Harvard team. Felton, a veteran and an effective pitch-er, will work for the Crimson. Frothingham and Emmons, other well-known performers, will be in the line-up.

Following the game, Yale and Penn will entertain those who wish to linger with a regular exhibition of lacrosse. This is a recognized sport, and those that have not seen enough for the regular admittance fee may remain to see the scantily clad athletes trot about the field.
