The Young Lady Across the Way

The young lady across the way  
says living in the country isn't  
what it used to be and many  
country homes which are too far  
from the city for regular ice de-  
liveries have their own isolation  
plants.

Cut out the picture on all four  
sides. Then carefully fold dotted  
line 1 in the entire length. Then  
dotted line 2, and so on. Fold  
each section underneath, accurately.  
When completed turn over and  
you'll find a surprising result. Save  
the pictures.

Straightened

"I hear those new people next  
door to you are very upright."

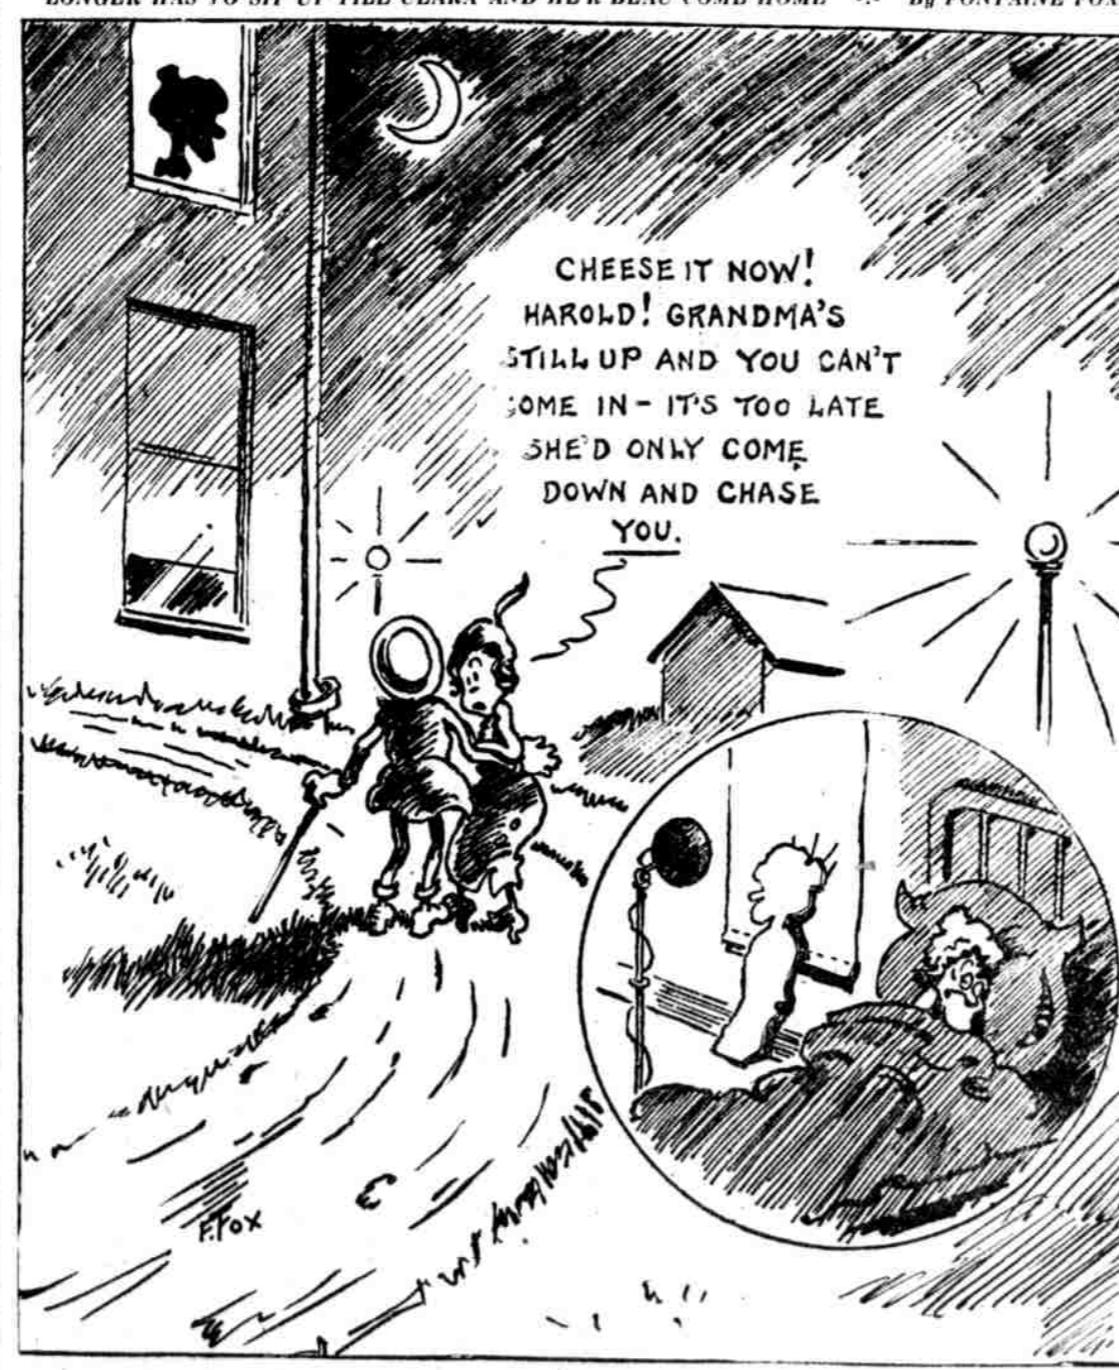

"That's so. Why, they wouldn't  
even have anything in their house  
but an upright piano."—Answers.
