Federal Reserve District went well over the top in the Victory Loan drive, the exact results will not be known

cluded in the returns yet to be made by having been declared by Council. the 1094 banks throughout the dis-

timated by lean officials at from SEL 000,000 to \$50,000,000.

The quota for the district was \$575. 000,000, of which Philadelphia's share streets converge, was \$194,956,000.

For the first seventeen days of the drive, which includes all but the last William Long, of the parade committee, were \$10,229,491 and for the district \$18,414,176. The largest gains reported on any one day during

Philadelphia, \$50,925,350; Pennsyl-\$21,302,700: Now \$9,593,550, and Delaware, \$1,734,800. The record gain for the district as a whole was \$67,256,400. The smallest gains on any one day were: Philadel-\$1,333,100; \$1.915.750; New Jersey, \$410,800, and Delaware, \$71,000. The smallest gain for the district was

\$3,736,350. John H. Mason, director of the War Loan organization, today issued the fol-

lowing statement oversubscribed in the Third Federal Reserve District and we have 'finished the job.' Philadelphia will, I think, reach at least \$200,000.000. Outside of the eity, throughout Pennsylvania, we will run over the quota of \$153,000,000, and both New Jersey and Delaware will exceed their allotments. I shall not be surprised if our district runs over at the armory. \$400,000,000, making an oversubscription of not less than \$25,000,000.

"Words fail me to express my deep and sincere appreciation of the splen did work of the hundreds of thousands of volunteers in the war loan organization of the Third Federal Reserve Dis-

Complete returns of the women's Victory Loan committee, may not be made before the close of the week. The Prentice, president of women had exceeded their quota of Saturday, and Mrs. Walter S. Thom- Carry, secretary of the Chamber son, chairman of the committee, said the total by at least \$9,000,000.

The industrial committee made a urday with total subscriptions of \$75. which is a part of the Seventy-eighth 344,750, as against a total of about Division, is composed of drafted men \$35,000,000 Wednesday, Chairman C. from Camden county. announced today

GOVERNOR DEFERS ACTION ON CHARTER

Amendment Providing Nonpartisan Municipal Elections Proposed by Revisionists

PENROSE IN WASHINGTON

By a Staff Corvespondent Harrisburg, May 12.-Senator Pen se will not appear in Harrisburg this week to direct the fight in behalf of harter revision and other reform meas.

The senator telegraphed that he would be detained in Washington, where his political prestige is threatened by announcement of eight progressive senstors that they would fight his selection as chairman of the Senate finance As Governor Sproul appounced last

eek that he would not have time to finish his consideration of Philadelphia eform legislation until next week, little ction on the Woodward charter bills, the Daix registration bills or the Rotan measures is anticipated this week.

No amendments are expected to be submitted to the bills until the Governor has made known just what he will partisan repealer. stand for and what he will not in the way of remedial legislation for Phila-MACHINES ARE TUNED UP The chief topic around the Capitol

now is the announcement by the charter revisionists that they would remedy the Woodward charter bills to provide for the nonpartisan election of a mayor and councilmen. Senator Penrose re cently declared that he was "a convert" to the nonpartisan method of electing city officials.

Statement By Winston

The fact that such amendments will be offered was made public yesterday in n statement issued by John C. Winston, chairman of the charter revision com

"The principal subject discussed, said the statement, "was the proposi-

The proper calargement of the crews for certain classes of work by a threeman, however, was authorized to clarify

the nonpartisan law for third-class cities, the situation relative to the nonpartisan issue is somewhat complicated. Although Senator Penrose declared is approval of the nonpartisan idea, in-so-far as municipalities are coned, the followers in the House of the organization which he heads put through the repealer, and the upstate independents, who have a habit of being against most anything that the organ ization is for, fought bitterly to keep

class cities on the statute books. Use Repealer as Feeler

the Clark nonpartisan law for third

Legislators from Pittsburgh Scranton engineered the passage of the repealer in the House after a defeat had been meted to the bill on its first appearance. The belief was current then that the Pittsburgh and Scranton legislators were using the third-class repealer as a feeler for a similar bill

The time and the place If you expected fire at a certain time and in a certain part of your plant you would be sure to have some one there to stop it.

A safe plan is to expect fire any time, any place, and always be prepared by installing GLOBE
