SEEK BLOOD TO SAVE LIFE OF RICH PATIEN

'Suitable Reward" Offered for Candidate to Undergo Transfusion Ordeal

APPLICANTS ARE EXAMINED

In a private room at the Mt. Sinai lospital a wealthy resident of this city awaits eagerly the decision of physicians examining applicants willing to submit to a transfusion operation and exchange their blood for a "suitable reward." The patient's blood is rapidly changing to water, due to the effects of a poison in the blood corpuseles. The boison began affecting his system after he had neglected what he thought was only a slight abscess on a tooth.

pread rapidly and what began as oothache soon threatened his life. He now dying slowly. For several days Doctor Rubenstein nd other physicians at the hospital have used every means at their command to sustain life in the patient and

renew the vigor of the blood. But the poison kept steadily at work and the HAS NINE IN SERVICE Dector Rubenstein intermed upon his chances of life depended upon his ability to obtain some one to submit ability to obtain some operation to supvealthy man became worse. to a blood transfusion operation to sup-

Serteant Norman Keller to Miss Velma fluid necessary to preserve vitality.
With no relatives or friends equal to the emergency the patient decided to ington, D. C., where Sergeant Keller rely upon his money and asked Doctor was located as a member of the Medical Rubenstein to advertise for a subject who would submit to the blood transfusion ordeal for an adequate reward.

Seven men applied last night. These seven and several others who applied today will submit to an examination D. Moore, of Haddonfield, who fought and the most suitable one taken. He will receive the same care as the patient while he remains in the hospital. name of the man who needs the blood
