THAT DECORATION DAY PICNIC; SUGGESTIONS BY MRS. WILSON

First the General Plan and Then Preparing Delicious Sandwiches and Making a Tempting Chocolate Loaf Cake—The Right Way to Make Lemonade, Fixing Coffee in Large Quantities and Other Hints

By MRS. M. A. WILSON

trappriots, 1919, by Mrs. M. A. Wilson,

DECORATION DAY will be an ideal day for a picnic. To make a picnic a success there should be a choice location, and it is a mistake to travel far from home, because not only the little ones, but the older persons as well, soon get weary. Nor is it necessary to work one's self nearly to exhaustion to prepare for the picnic.

Make sure of a supply of pure drinking water. This is most imporplates, sanitary spoons, paper napburned after using.

Don't spend days making rich will give fifty cups of coffee. heavy cakes and pastries. My exand gingerbread. All these things did results are easily prepared in a single after-

Dainty Hats for Summer Dresses A Daily Fashion Talk by Florence Rose

car cainty summery dresses potater: there are three that would be a fitting touch to any costume. They are de scribed in today's fashion talk

S WE all know, the men have for in the various shades and those of either As WE all know, the men have for in the or black lace, which are quite the years had a hard-and-fast rule regarding the putting on of the straw hat latest fancy.

In the spring and the laying it aside in At the left of the drawing today is the fall. No matter how warm the a hat draped in white chiffon trimmed weather may turn in April or the early at the sides with red cherries. At the of May. One could count on the fingers and is trimmed simply at the back with the number of straws worn by the more a butterfly bow of the black lace. during before that time.

But with the women it is different. There is no rule, and many seasons the endar around and have women wen the velvets and felts in July and the straws and laces in December.

But summery dresses demand films summer hats that they show off to the best advantage. Just now the shops are filled with the most alluring array of these summertime bats. They are so lovely that I cannot but offer a little prayer to keep them all during the summer months. There are the leg horns decorated with flowers, which remind one of the old-fashioned flower beds; the large hats of light colored chiffons, or georgettes, that are fluffy and cool-looking, and the hats of tulle

part of May, the men cling tenneiously back are strings of cherry-colored velto the warm felt hat, and only part with it when the clock strikes the 15th. The hat at the right is of black lace,
