## Adirondacks

There's magic in the word "Adirondacks." It's the spirit of our pioneer ancestors calling us back to Nature. It's the urge of the trails through the woods, by the lakes, over the hills. It's the dip of the paddle, the song of the reel, the scent of the pine. It's forgetfulness of work and worry; it's sport and fun. It's freedom.

Of course, you're going to take a vacation this summer! Go to the Adirondacks, this beautiful territory of the Indians is truly a playground paradisenatural, unspoiled, refreshing. Other attractive resorts are:
