The Call of Colorado and Utah Rockies

Spend your vacation this summer in the heart of the Rockies.

The climatic, scenic and recreational advantages of this outing region annually attract multitudes of summer visitors.

Smooth motor roads lead to high mountain passes; and trails lead to woodland glades "where the ground was never trenched by spade, and flowers spring up unsown."

Lakes and rushing streams full of game fish.

Here are two National Parks, six National Monuments and more than twenty million acres of National Forests.

Summer Excursion Fares

Ask for the booklets you want. They describe Colorado and Utah Rockies, the two National Parks—Rocky Mountain and Mesa Verde—also the six National Monuments.

Ask the local ticket agent to help plan your trip—or apply to nearest Consolidated Ticket Office—or address nearest Travel Bureau, United States Railroad Administration, 646 Transportation Building, Chicago; 143 Liberty Street, New York City; 602 Healey Building, Atlanta, Georgia.
