FIGHT AT UNION ELECTION

Efforts of Non-Philadelphians to Get Offices Start Trouble

A general fight resulted last night when members of the Local Bridge Builders' Union attempted to elect officers at their headquarters, 232 North Ninth street.

For three hours the two factions in the union hurled charges and counter-charges at each other. This precipitated violence, the members using chairs and fists in the melee.

A score of others received black eyes and bloody noses, but refused to go to the hospital. During the disorder a member telephoned for the police.
