HE MIXES BRAINS WITH CURVES

This is a picture of Richard Rudolph, the Boston hurler, who trimmed the Phils yesterday. It is an unusual photograph and was snapped one day down in Columbus, Ga., while Mr. Rudolph was wearing his cap when pictures are taken because if one looks closely one will discover that the premier pitcher has as much hair on the top of his head as the fifteen hair in a pool game.

"WHERE YA SLEEPIN?" MAY BE JULY 3 SLOGAN AT TOLEDO

Sharing Bunks Probably Will Be Chief Pastime Night Before Match Between Willard and Dempsey

Toledo, O., June 24. This city must grapple with a difficult housing problem in preparing for the enormous crowd expected here to witness the heavyweight championship contest between Jess Willard and Jack Dempsey July 4.

Toledo itself is a city of about 300,000 population, and even in normal times the hotel accommodations are inadequate. The city boasts of eleven hotels of 100 or more rooms' capacity and ten more of fifty rooms or better. The two biggest hotels have been "sold out" for the last six weeks. Nearly all the other larger hotels have reservations for their full capacity. The smaller hotels are filling more slowly, but unquestionably will be occupied to capacity long before July 3.

Extra Bunks. All the hotels plan to install extra cots and beds in the rooms. A flat rate of \$5 a bed, whether there are two or half a dozen beds in each room, has been estimated as the minimum. Only a few newspapers, who have been permitted to occupy rooms alone. Other guests will be obliged to share their rooms with as many persons as the management sees fit to provide beds for.

Estimates place the total bedding accommodations in the hotels at a discrepancy of 13,000 beds for the number of persons expected to spend the night of July 3 in Toledo.

Ad Q. Thatcher, a Toledo sportsman, is the leader in the enterprise to provide sleeping accommodations for this overflow. Thatcher and several associates have obtained leases on a number of vacant buildings in the downtown district and for the last month have been installing cots. The two largest of these buildings, the Terminal Building and a five-story structure formerly occupied by Toledo's largest department store, will provide for 3000 and 2500 cots respectively, while others probably will have room for another 2000 beds.

Easy Win For Country Club. Outrigger, outrigger and outrigger in all respects, the Devon polo team was defeated by the Philadelphia Country Club yesterday afternoon, by a score of 20 to 6. It was the second of a series of polo matches for the third Woodmont cup, to be played Thursday between the Philadelphia and Devon teams.

Cost Accounting Losses. The Philadelphia District Ordnance office detected a loss of \$15,000 in the cost of a new type of shell, which was lost through the lack of control.

Rosewood Juniors on Top. Rosewood Juniors beat out the St. Peter's team in the final round of the tennis tournament which was the hitting of the knockout and the brilliant double play executed by Schuler and Sweeney.

Wagon Outslugs Charley Thomas. In a slashing six-round affair, Charley Thomas defeated Charley Thomas in the principal bout at the Empire Athletic Club last night. Thomas was the victor from the start.

Today Is Burns's Birthday. Jersey City, June 24.—Franklin D. Roosevelt's birthday. He was born in Jersey City on June 24, 1882.

Scraps About Scrappers. Billy Evans, of Wilkes-Barre, and Young Bessie, of the former New York box, will clash in the eight-round feature. The feature will be the main attraction of the afternoon matchmaker Herman Taylor will present Max Schuler and Patry Wallace in the eight-round semifinal.

George Ennis is near the scene of the big battle. He is visiting the rival camps daily. After looking over the boys Ennis writes that he will enter the semi-final. He will accompany his manager, Phil Glassman, to the fight, and he'll be his choice one week from Friday.

Don Cutch expects to make his debut as a regular New Jersey referee soon. He probably will officiate at one of the shows at the Atlantic City Sporting Club, in the near future.

Law Tandler will break training long enough to make the trip to Toledo in Bob Fainstein's new machine. Phil Glassman will accompany him. Fainstein will accompany him to Toledo. The party plans to leave next Monday.

Young Joe Borrell will appear in the wind-up at the National on Thursday night against Joe Walsh. Young Danny Buck will engage Joe Mendell in the semi-final. Joe Griffin, manager and matchmaker, has a good supporting cast.

Battling Murray, the clever little Italian fighter, will have a place in the wind-up at the National on Thursday night. The afternoon fight of July 4, Little Bear will oppose the National.
