Tracing of Boundary by Commission Requires Men of **Broad World Vision** 

the treaty of peace with Germany ratified is to organize a commission of five members to trace the great frontier line of the Sarre valley.

This task is pointed out in a state-

the secretary. The commission must be set up fifteen days after the peace treaty is covered them. They were t signed and ratified, says the statement, through the front door after him. hree members of the commission will be appointed by the league of nations.

secretary is being selected provision This plan of organization is sub-States, Great Britain, France, Italy, Aided by "certain persons or persons

of different nationalities," the secretary is working out plans for the creation of international secretary." secretarial body must divest themselves they are not to be regarded as repreedly to the service of the league of na-

The divergent interest of the states will be expressed in the council and the assembly of the league, says the statement, and it is added that when important national interests are involved it will no doubt be found essential that prime ministers and foreign sceretaries should attend the meetings of those two

The secretarial, it is declared, must be conducted on a wholly different basis. Men and women of "broad vision and flexible mind, interested heart and soul in the success of the league" are de clared to be offering their services.

"This," said the statement, "is proof of the confidence that the best men and women have in the promise of the league. It is the first and finest augury for the lengue's success."

### OPPOSE CLASS DISTINCTION

Methodists Say That War Revealed Causes of Unrest

Cleveland, O., June 26,-(By A. P.) -Delegates to the jubilee convention of the joint centenary committee of the Methodist Episcopal Church last night declared that power, whether olitical, economical or industrial, must not be monopolized by one class to the letriment of the other and that class distinctions must be abolished.

Resolutions were adopted stating that much of the present social unrest is due to conditions which had existed previously, but were not recognized until demonstrated by the war.

A cablegram requesting that wartime prohibition be enforced until all American soldiers are demobilized was sent to President Wilson. Similar messages were sent to the presiding officers of Congress.

### **NEW SHIP FOR OIL TRADE**

Bessemer Turned Over to Interocean Oil Company for Texan Ports The 7000-ton tanker Bessemer is the

latest oil carrier to be added to the fleet shuttling from Philadelphia to Texan ports. It was turned over to the Inter-ocean Oil Company this morning. The Bessemer, which was launched at the Pusey & Jones shippard, Glou-

cester, February 26, returned last night from a successful trial trip. She averaged eleven and one-quarter knots an hour for twelve hours and was accented by the Emergency Fleet Corporation and turned over to the oil company.

### TORNADO KILLS CHILD

Buildings Demolished and Several Persons Injured in Canadian Storm Calgary, Can., June 26 .- One child was killed, several persons were injured and a number of buildings demolished by a, tornado which struck the outskirts of Empress, Alberta, a small town near Medicine Hat, according to reports received here early today. The twister picked up a railway car in which a family was living and carried it some distance to a coulee, where the car was smashed.

Red Cross Worker a Suicide in Berlin Berlin, June 26 .- Brice Ringer, of Petersburg, Ind., an enlisted man connected with the Red Cross mission here, nmitted suicide June 24. The motive for the deed is unknown.

### Reduce the Dangers of Motorboating to a Minimum

There is always danger of a pasoline engine catching fire. Be ready for such an emergency. Equip your boat with ne-quart extinguishers.

Fire Extinguishers, Recharges and Refill Liquid for all types.

Egli Dichiara che Nazione e Parlamento Dovranno Sostenere il Nuovo Ministero

Published and Distributed Under
PERMIT NO. 341.
Authorised by the act of October 6,
1917, on file at the Postoffice of Philadelphia, Pa.
By order of the President.
A. B. BURLESON.
Postmaster General.

Roma, 25 giugno.-Il Senatore Littoni, nuovo Ministro per gli Affari Esteri, ha oggi pronunziato un discorso al ful and that she wore out her hands Senato del Regno dimostrando la necessita' che il Parlamento e la nazione diano pieno ed incondizionato il loro appoggio al Gabinetto, senza riguardo di partito. Egli ha detto che Parlamento e Nazione realizzano con ansieta che mentre le disposizioni per la nazionali aspirazioni si mantengono incerte, quelle di altre potenze sono state gia' riconosciute, e che egli e' de-

ercando di sollevare i sentimenti popolari contro il nuovo Presidente del Consiglio dei Ministri.

incidenti quando Bissolati, capo del par- quale presidente del consiglio ed il tito socialista prima della guerra, diede ministro degli Esteri abbandonarono gli le dimissioni dal Gabinetto Orlando per affari interni per recarsi alla Condivergenze di vedute sopra le richieste ferenza.

essendo egli dell'opinione che la Delegazione Italiana dovesse fare delle concessioni sulla questione Adriatica. Nitti,
si dichiaro', condivise le idee di Bissoloti del inferiore che in Delesoloti del i solati ed infatti dopo poce tempo pre-sento' le sue dimissioni.

E' ritenuto che l'attitudine di Bissolati e Nitti, in quel tempo, abbia poi influito sull 'abbeggiamento di Wil-son fino a farlo decidere a emetteri il suo comunicato relativamente la questione di Fiume. Il Presidente, si asserisce, fu male informato del numero dei seguaci che sostenevano i due minis-

tri dimissionari. L'attitudine di gran parte del pub blico verso i nuovi ministri e' principalmente dovuta al timore che essi non saranno fermi nel domandare quanto e considerato nei diritti d'Italia, sopratutto la conclusione di trattati economici, commerciali e finanziari, i quali dovrebbero mettere in grado la nazione di ricuperare le perdite cagionate dalla guerra.

Le nuova delegazione destinata a Parigi e' commentata con alquanto favore, poiche' Tittoni e' un uomo di forte carattere, ben conosciuto in Inghilterra ed in Francia ove fu ambasciatore. Quando Re Edoardo si reco' in Napoli incontro' per la prima volta Tittoni, allora prefetto in quella citta' e personalmente suggeri' a Giolitti che sarebbe stato l'uomo adatto per ricoprire la carica di ministro per gli Affari Es-

# A Permanent Railway System Tapping Large Virgin Areas of Timber and a Well Located Modern Sawmill of Large Capacity

The War Department, through the above corporation, organized under Act of Congress, entitled "An Act making Appropriation for the Support of the Army, etc.", approved July 9, 1918, on account of war time necessity, built railways and prepared milling facilities for the timber from two of the largest hitherto undeveloped timber areas of the Pacific Northwest, namely, Olympic Peninsula, State of Washington, and Lin-

der the supervision of experienced and practical engineers, contractors, lumbermen and loggers.

Admirable climatic conditions for year around operation.

Supplemental equipment for logging and railway operation, owned by the corporation, can be acquired subject to prior sale.

Cruises, profiles, maps, ownership data, complete working specifications and master index of mill properties and machinery are available for inspection at offices of corporation at Yeon Bldg., Portland, Ore., U. S. A. These properties will not be sacrificed nor will bids be considered for less than reproduction values.

Properties on Olympic Peninsula, State of Washington Mill and railroad open up largest hitherto undeveloped timber resources in Pacific Northwest and make
