#### 3000 PERSONS ARE NEAR

A daylight robbery netted two men and a woman automobile bandits more than \$700 at Thirty-third and Spruce streets yesterday.

The affair happened within a half block of the field near the Commercial Museum, where 3000 persons were watching a bayeball game. Automobiles were passing at the time. The whole thing happened so quickly that no one realized what had occurred until the bandits were on their way again.

The bandits were in a small touring car that overtook a Supplee-Wills-Jones Milk Company automobile. One of the men covered the driver, Edward Lynch, with a revolver and made him bring his machine to a standstill.
