EVENING PUBLIC LEDGER-PHILADELPHIA, SATURDAY, JULY 5, 1919

at Paris Banquet on American Holiday

FOCH TOASTS AMERICANS

By the Associated Press

Paris, July 5. - General Pershing at the Chamber of Commerce luncheon yesterday said :

"Few Americans can more fully and completely understand the significance of this Independence Day than those who have lived in France and who have sympathized and suffered with her people. Few can know better her sacrifices and the significance of her devotion to the cause of civilization. None

"Great have been the victories of war, but we must now engage for the victories of peace. Conditions confront us Americans that demand our best efforts and our best abilities. Imporparedness. "At the outset it is for us to see Hospital

"At the outset it is for us to see that the conditions of pence are faith-fully performed, and those who were responsible for the war pay the full penalty. Let no one doubt that it is our fixed purpose to see that the terms

our fixed purpose to see that the terms of the treaty are completely fulfilled. "This war has brought about among the Allies a common understanding and a realization of community of interest that will make for peace, without the fire and the angle of the second of the a realization of community of interest that will make for peace, without which agreements are futile. It is especially important that Americans resident in France should cherish and perpetuate, as our representatives, those amicable relations necessary to

a similar gathering two venus age when our heavy task lay before us. Wo were then face to face with a situation that demanded the best that was in us. True to our traditions, we have met it courageously and fearlessly, and we shall meet the problems that now confront us with the same resolution and confi
