Write, call of the country of the count A fortune can be made in the next few years selling an established and nationally advertised tire, not represented at present in this city. Fair amount of capital, some selling experience and considerable business sense are the only requirements.

This is a particularly attractive opportunity for a tire salesman, branch manager or assistant who knows the local market to start a wonderfully profitable business of his own. The tire has, not of his own. The tire had imaginary talking points.
