### And So They Were Married

By HAZEL DEVO BATCHELOR

START THIS STORY TODAY QUCH crowds of curious people as the me is it bad form to wear diamond rings frequent visitors to the Raymond apartment, much to Ruth's amazement and not exactly to her liking. She did not mourning? I do not wear deep mourning like crepe, but black or black and not exactly to her liking. She did not the like of the control of separated particularly children of separated particular her old friends wanted to renew her ac- mourning for one's mother? quaintance. She did not understand that rather jaded feelings of the girls she had known, the girls who had nothing to form morning till night out engraph of the series of

Elsie Carstairs in particular came to see Ruth often. The subject of the wedding had been carefully avoided by Elsie Dear Cynthia-I have a problem

for Ruth to act as though she cared one way or another about it. Neither was it girls up about 7 o'cleek and expendent than cordially in her own home.

Ruth saw that Elsie was tremendously attracted to Gene, Elsie had been married only a few weeks but she had not married for love, she had been puished into it by her ambitious mother, and Joe Ranning had wealth enough, if he had nothing else. The first day that Ruth was really conscious of the fact that Elsie cared anything about Gene was one afternoon when Elsie had driven down in her big limousline with the wind what it source points in the care afternoon when Elsie had driven down in her big limousline with the wind what it source points in the care of the cord anything about Gene was one afternoon when Elsie had driven down in her big limousline with the wind what it source points in the cord of this was really conscious of the fact that Elsie cared anything about Gene was one afternoon when Elsie had driven down in her big limousline with the wind what it source of the cord in the training about the cord of the form of the cord of the fact that Elsie cared anything about Gene was one afternoon when Elsie had driven down in her big limousline with the wind form of the cord of the fact that Elsie cared anything about Gene was one afternoon when Elsie had driven down in her big limousline with the wind the minute of the kind of the kind of the cord of the fact that Elsie cared anything about Gene was one afternoon when Elsie had driven down in her big limousline with the wind the minute of the cord of the fact that Elsie was tremendously to mark the fill the state of the cord of the cord of the mass of the fact that at the must good. This ndventure has cost the price of the cord. This ndventure has cost in the price of the cord. This ndventure has cost in the state price of the cord. Ruth did not want to go, but she found it hard to make an excuse and it wasn't until the two girls were out in the limousine together that Elsie said of us at all, nevertheless, I am "Let's drop over at Mr. Mathews's studio. He asked me to come ometime, and I'm eager to see it."

Ruth having consented, Elsie immediately became flushed and talkative. She was obviously doing everything in her power to win Ruth over to her side of things, and finally she said impulsively terr to Miss Happy.

of things upfown; one never saw you sensible girl, as well as a happy one. around, and I didn't know whether | Your voluntary description of yourself you'd care to see me married or not." was much appreciated by me, and I

that you were busy." Elsie went on.

it up at all, but of course she had a spite is one thing I cannot hold.

'Then it's all right and you will let me be your friend." Elsie could afford to be sweetly humble. They were drawing up in front of Gene Mathews's studie now and Elsie was plainly excited. Ruth had a secret delight in noting the chauffeur's disdain as he eyed the yawn-ing doorway in the old red brick house. the frankly curious people on the side-walk, the many children. Gene had a place in the old part of town. She hoped that Elsie would be properly im-

But Elsie thought it all delightful. She exclaimed prettily as they picked their way across the pavement and up the stone steps with the sagging iron balustrate and then on up the flights of dark stairs. Elsie held her dainty skirts away from the walls almost intuitively, and Ruth, who was walking behind, smiled grimly.

'Isn't it exciting'?' Elsie exclaimed delightedly as the two girls paused on the top landing, which was not so dark, due to the fact that a small skylight take up the study nearest to my home?

was set in the roof. Ruth knocked at the big door on one side and the next minute Gene himself. enveloped picturesquely in a big paint ing apren, opened the door. Beyond enseenced in a raised chair sat a model the light from the full-length skylight flared directly over her. Things could not have been better timed for the impressing of Elsie. All this vaguely disgusted Ruth, although she could not help being interested. She wondered if tiene were aware of anything, and yet low could be help but be; men were al ways aware of a woman's devotion.

Tomorrow, Elsie in Gene's Studio.)

#### Y. W. C. A. in Rumania

Queen Marie of Rumania, during a recent visit in Paris when she attended sessions of the provisional council of the Y. W. C. A. for work in France, held an audience with Y. W. C. A. secretaries there. The audience was a result of the queen's request for co-operation from the Y. W. C. A. for relief work in her country.

Although no plans are perfected as the organization's work in Rumania, work will probably be begun there in the near future.

### Police and Firemen Examinations

Civil service examinations for the position of policemen and firemen will held on Thursday, August 7, and Friday, August 8, respectively, according to an announcement of the Civil Service Commission. The position of fireman pays an annual salary ranging from \$1100 to \$1300, while the pay of a policeman is \$3 a day. A bonus of 10 per cent will be paid to men in both services in addition to the regular compensation. Applicants for the position will be required to pass a physical test at least five days prior to the date set for the mental examination.
