MEXICAN OIL GRAB CALLED PLAIN STEAL

American Association Tears Mask From Carranza Statement on Legal Effects

Washington, Aug. 2.-The National Association for the Protection of taining approval from the big powers American Rights in Mexico issued a statement today and sent a copy of it to the State Department, protesting are so many of them. But then the against statements made by President little powers did not count with the Carranza, of Mexico, in an interview President at Paris, and although he to the Associated Press. The protest talks much about them at Washington

"The statement is the old protesta. really count with him now. tion of the Carranza government that confiscation is not intended by the mise will be through the seven moded as confiscatory. It is merely a with his own committee. The probadenial that tricky legislation, depriving bility is that Mr. Lodge despairs of oblegal owners of oil lands honestly ac- taining results from his own committee quired and made valuable, constitutes made up of candidates for President and confiscation. The attitude of the Ameri- political strong men, as it is. can Government in this matter is suffitributed to President Carranza.

'As to his statement that 'the peing facts to suit their own ends,' the the seven. sociation hereby asks Manuel Carpiro, the official propagandist of the Carranza government in the United KELLOGG TO SUBMIT States, who is thoroughly aware of all statements made, to point out any misstatement in connection with the oil controversy published in the American press which has fallen under President Carranza's charge of unreliability.'
