READER'S VIEWPOINT

Letters to the Editor on Current Topics

Just Read This, Judge Patterson! To the Editor Evening Public Ledger: Sir—One word to my fellow citizens of one who is "A man every inch of him." One who stands head and shoulders far above every man who has been mentioned for the office of Mayor of our much-loved city.

I refer to the Hon. John M. Patterson, president of the Dickens Club, which, if nothing else, should draw all men and all women to him, who love the Charles Dickens, the child, principally the neglected ones, those needing a big brother's care...

A candidate such as the Hon. John M. Patterson would have the votes of every one who loved the boy and wished him to grow up into good Christian citizenship. The vote of every one who was a "bold soldier boy" in the late struggle for the South...

The note of every Salvation Army man and the influence of every Salvation Army woman from its delightful head, Eva Booth, to the best of those charming workers. The vote of every churchman because he is a Christian soldier, yes, a soldier of Christ. The vote of every citizen, irrespectively of his race, color, or creed...
