

STRICT U. S. EMBARGO ON ARMS FOR MEXICO

Even Munitions Purchased Before 1917 Will Not Be Allowed to Cross Border

NOTE CALLED ULTIMATUM

By the Associated Press Washington, Aug. 15.—The Carranza government will not be permitted to import further arms and munitions from the United States for the present at least.

This became known today following the publication of the exchange of notes between the United States and Mexico in which the American Government threatened a change of policy unless Americans in Mexico were adequately protected.

Shipments of munitions into Mexico have been prohibited since the United States entered the war, but before that time Carranza had purchased large supplies in this country and it had been the policy to let these go through in comparatively small quantities.

There was no indication today that the government contemplated any further immediate change in its Mexican policy.

Telegrams received here today said editorially in the Mexico City newspapers after publication of the American note of warning indicated a complete realization of the seriousness of the situation. Almost all of the papers commented on the note, but for the most part the editorials were temperate in character.

Note Called Ultimatum The note to Mexico warning President Carranza that if murders and indignities to American citizens continue in the United States may be forced to adopt a radical change in attitude toward that country, was the chief topic of interest today in official and diplomatic circles here.

The note, made public late yesterday along with a reply from the Mexican Government, lacked only diplomatic technicalities to make it an ultimatum and was couched in probably the strongest language used in any communications between the two republics since the exchanges just prior to the occupation of Vera Cruz by American armed forces.

Foreign Pressure Suspected While no official statement was made concerning announcement at this time in the change of policy and outwardly there was no apparent reason other than the continued mistreatment, robbery and murder of American citizens in Mexico, it generally was the opinion today that the United States may be forced to adopt a radical change in attitude toward that country, was the chief topic of interest today in official and diplomatic circles here.

It was pointed out that should some drastic step become necessary, the United States from a military point of view now is in better shape to act than at any time in its history of long drawn-out controversy with the Mexican nation as to American rights and privileges.

Troop Escort for Americans A dispatch from Nogales, Ariz., says marauders numbering about 200 and said to be Yaqui Indians, last Sunday attacked a suburb of Guaymas, one of the principal towns on the western coast of Mexico, and killed one child. Troops from the Mexican federal garrison pursued the marauders, killing eight and wounding three.

Comments by Mexican officials at Nogales, Sonora, across the international boundary, escorts of federal troops will accompany all trains running between Nogales and Guaymas.

Mexican federal officials have warned Americans traveling through dangerous sections to apply for an escort of troops, which it is promised, will be furnished them.

No Mutinies, Says Carranza Leader Denial of reports that the Carranza garrison at Chihuahua City had mutinied with the intention of going over to the Villa forces, was made in a statement today by the Mexican embassy. The statement said:

"The Mexican embassy has received a telegram from General Manuel M. Dieguez, commander of military operations in the Chihuahua region, stating that no mutinies have taken place in the capital of said state, and that no conspirators have been executed."

STATE TROOPERS AT BUTLER

Guard Steel Car Plant After Strikers Attack Nonunion Workers Butler, Pa., Aug. 15.—(By A. P.)—A troop of state police arrived here this afternoon and was placed on guard at the plant of the Standard Steel Car Company, which was the scene of rioting early today between several thousand striking shopmen and 500 non-union workers.

The strikers attacked the nonunion men with clubs as they were about to enter the plant. A dozen persons were injured and the situation soon got beyond control of the local police and deputies on guard at the plant where the strike has been in progress ten days. Upon the arrival of the state police the strikers withdrew from the zone surrounding the plant, but feeling was said to be running high.

HONDURAN REBELS FLEE

Government Gets Upper Hand, but Costa Rica Revolt Spreads San Salvador, Aug. 15.—(By A. P.)—President Bertrand, of Honduras, has informed the Honduran minister in San Salvador that the Honduran troops have inflicted a defeat on the rebels at La Esperanza and are following them in retreat. A dispatch from Managua, Nicaragua, announces that President Tinoco, of Costa Rica, in leaving the country, escaped the vigilance of American ships and embarked at the port of Limon. The dispatch adds that the revolution in Costa Rica is spreading rapidly in the interior of the republic. Julia Acosta has been named provisional president of the republic. He has designated Francisco Aguilar Barquero to arrange for the holding of free elections.

U. S. ENVOY CONFERS WITH GREEK PREMIER

Americans Stand Virtually Alone in Contending for Aegean Port for Bulgarians

NO DECISION YET REACHED

By the Associated Press Paris, Aug. 15.—Frank L. Polk, head of the American peace delegation, had a long conference today with Premier Venizelos on the Thracian question. They discussed various plans to adjust the situation, but the conference ended with the question apparently no nearer a settlement.

The effort to provide Bulgaria with an outlet to the Aegean sea by means of an internationalized railroad to Dedegatch does not seem to be meeting with success. American delegates believe it is impossible to internationalize the railroad without granting surrounding territory to Bulgaria.

The supreme council will not meet today or Saturday. Mr. Polk will accompany Foreign Minister Tittoni, of Italy, on a visit to Lene, Arras and other points in the devastated area of France. They will return to Paris Monday.

The supreme council is industriously studying plans to divide Thrace in a manner acceptable to Greece and Bulgaria, as well as England and France. Uncertainty as to what country will receive the mandate of Constantinople and surrounding territory complicates the situation, as interested powers are striving to protect their own interests, regardless of who gets Constantinople.

Italy and Greece apparently have reached an understanding, so that the United States stands virtually alone in supporting Bulgaria's claim for an outlet to the Aegean sea. The Bulgarians say that another Balkan war can be avoided only by giving them such an outlet.

A dozen different plans for the dividing and disposing of Thrace have been considered during the last week, but the one most favored, although opposed by Greece, contemplates an internationalized zone to the Aegean sea. Western Thrace would go to Greece and she would also be given a strip eastward from Dedegatch extending from the port of Midia. The territory immediately about Constantinople would go to the country receiving the mandate there. This internationalized zone would be under the administration of the league of nations.

This plan violates the rights of majorities and separates districts to be given to Greece, but it is apparently impossible to reach an agreement on any plan which would make this region less of a crazy quilt. The plan gives Adrianople to Greece, which is regarded as unsatisfactory, as that city is considered sacred by the Mohammedans.

GREY DUE HERE NEXT MONTH

British Ambassador Will Bring Large Staff Headed by Tyrrell London, Aug. 15.—Viscount Grey, formerly secretary of state for foreign affairs, will leave for the United States to assume his post as temporary ambassador, probably early in September. He will be accompanied by Sir William G. Tyrrell.

A large staff also will go with the ambassador to take routine affairs out of his hands, thus permitting Lord Grey to devote his time to larger questions. Viscount Grey is enjoying excellent health. Sir William Tyrrell was private secretary to Viscount Grey for eight years, retiring in 1915. He came to the United States in the fall of 1913 to discuss the Mexican situation with the government.

ENTENTE DEMANDS BELA KUN FOR TRIAL

Deposed Hungarian Dictator Wishes to Come to U. S. Will Fight Extradition

RUMANIA GETS NOTE TODAY

By the Associated Press Geneva, Aug. 14.—The Allied governments have informed the Austrian Government that it will be held responsible for Bela Kun, the Hungarian communist leader, and for his delivery later for trial by an Allied tribunal, according to a dispatch from Innsbruck.

Bela Kun will be tried for hanging and shooting Hungarians during his rule in Budapest, the dispatch states. Extradition will be resisted by Bela Kun, it is said, if being added that he desires to go to the United States, taking with him the money which he and his wife carried out of Budapest.

The military command at Budapest has ordered the rounding up of the dispersed troops of the communist government, who have taken to wooded sections of Hungary in small parties, according to advices from Budapest.

Paris, Aug. 15.—(By A. P.)—The supreme council in its response, drafted yesterday, to the Rumanian Government's reply regarding the occupation of Budapest does not ask the Rumanians to leave the city immediately. The council advises Rumania that the interallied military commission at Budapest will discuss mooted points with Rumanian officials there. The reply of the council, which probably will be sent to Bucharest today, is looked upon as having been designed to facilitate negotiations without causing a breach.

The Rumanian army arrived in Budapest before the Bucharest government had received the note from the supreme council asking that Rumanian troops be not allowed to enter the Rumanian communication said.

The Rumanian Government added that it still regards itself as an ally of the Entente and as a member of the Peace Conference. The Rumanian communication came from the foreign office at Bucharest, but did not bear the signature of Premier Bratianu. It was looked upon as conciliatory in tone.

It was contended by the Rumanian Government that the Rumanians in their consciences in Hungary were merely going back their own property. It was insisted also that the armistice of November, 1918, no longer exists.

Budapest, Aug. 15 (delayed)—(By A. P.)—As a result of the first day's conference between the interallied commission, Constantine Diamandy and General Marghascu, commander of the Rumanian troops here, a promise was made by the Rumanians that they would cease requisitioning food in Budapest and other localities.

Captain Thomas C. Gregory, chief allied food administrator in central Europe, appeared before the conference and said he would not assist in sending food to Hungary if the Rumanians were going to requisition it. "If the Rumanians will not leave I am going home," he declared during his address.

Would Crown Uncle of George V Geneva, Aug. 15.—(By A. P.)—A Prague dispatch received here quotes Pravo Lidu, the organ of the Czech Socialists, to the effect that a large section of Socialists, under the leadership of Deputy Durios, is working for the creation of a monarchy in Czechoslovakia and that the choice for a monarch has fallen upon the Duke of Connaught, uncle of King George of England.

FORD GETS 12 CENTS INSTEAD OF MILLION

Attorneys Believe Six-Cent Libel Verdict Carries Equal Amount for Costs

\$50.06 IS CERTAIN LIMIT

By the Associated Press Mt. Clemens, Mich., Aug. 15.—The amount of costs that Henry Ford may receive from the Chicago Daily Tribune, in addition to the six cents damages awarded him last night by a jury which heard his libel suit against the Chicago newspaper, the first one, according to a Michigan law, where nominal damages are awarded, not more than \$50 costs can be assessed against the losing party.

Alfred Lucking, senior counsel for Mr. Ford, said today that little attention had been given to the matter of costs and that until he had looked up the law governing the case he could not say how much the plaintiff could expect to receive.

Among other attorneys, however, the opinion was held that in cases where damages awarded amount to less than \$50, the costs collected may not exceed the judgment awarded. In this event Mr. Ford could demand only six cents costs from the Tribune.

Orey Hulet, foreman of the jury, said they took "nine ballots that I can remember," the first one, according to a Michigan law, where nominal damages are awarded, not more than \$50 costs can be assessed against the losing party.

"Does the award of six cents about express the feelings of the jury as to the case?" a reporter asked Mr. Hulet. "It just about does. That expresses our judgment." Alfred F. Murphy attorney for Mr. Ford said:

"The important issue in this case has been determined favorably to the plaintiff. He has been vindicated. Money damages were entirely subordinate and were not sought by Mr. Ford. He stands not only vindicated but his attitude as an American citizen has been justified after a trial which raised every issue against him which ingenuity and research could

present. His friends are entirely satisfied." Weymouth Kirkland, of counsel for the Tribune, said: "We consider it a victory, for the reason that Attorney Lucking, in closing for Mr. Ford, stated that anything less than substantial damages would be a defeat for his client."

The tremendous legal costs of the Ford trial set a record for expenses in ratio to the monetary damages obtained. The costs to the Chicago Tribune are estimated at \$250,000 irrespective of court costs. The Ford expenses are estimated at another \$250,000, making a total of \$500,000.

The suit was for \$1,000,000 damages and the trial has been in progress three months.

By the Associated Press Londonderry, Ireland, Aug. 15.—Troops manned the walls of Londonderry today for the first time since the historic siege of the city in 1689, as part of the military effort to prevent the Nationalist and Sinn Fein "Lucky Day" demonstration and procession set for today.
