CALLS ARREST OF 15 A VARE FRAME-UP Men Taken as "Loungers" in Forty-eighth Ward Are Promptly Released

Fifteen men, arrested in the Forty eighth ward as "covner loungers. were released this morning after ficorge McElwee, independent leader to ward, mad a vigorous objection to what he termed the "strong-arm attempts of the police to help arrange a Vare coup.

The men, who are supporters of Isaac L. S. Smink, independent candidate for Council in the Forty-eighth ward in opposition to Director Wilson, the Vare candidate, allege they were taken into custody at the point of a revolver and without any provocation.

Mr. McElwee said the whole matter of the arrest was a "frame-up" and that i thad been arranged for a Vare man to go to the police station and get the men out thus making them feel they owed it to the Vare influence that they were let off. Mr. McElwee said he beat Vare man to it, however, and got the fifteen prisoners out early insthe morning.
