## PRESIDENT FORCES COMMITTEE TO ACT QUICKLY ON PEACE PACT

# TONS OF FOWL TO BE SEIZED

Deputy Marshals Will Take 14,450 Pounds of Cold Storage Chickens

FIFTY-TWO CALVES ALSO WILL BE CONFISCATED

Writs of Attachment Are Issued Against Front Street Produce Broker

Deputy United States marshals will seize 14,450 pounds of cold storage chickens and fifty-two calves in this city this afternoon in libel proceedings filed under the Lever food bill.

This will be the first seizure in this city in the government's fight to reduce the high cost of living by prosecut ing hoarders of foodstuffs.

The chickens and calves are alleged to have been hoarded in cold storage are made in the write of attachment that the owners of the food conspired to hold it in storage until such a time as "excessive, unreasonable and exorbithe sales. Three libels were filed.

cago. Ill., for alleged hourding of the ditional playhouses by an extension of chickens, and one against Morris & the strike.

### Four Reservations Given Senate on Wilson's Plan

Pittman Presents Resolution Apart from Ratification—U. S. Action Grieves China. League Means War, Says McCormick

By the Associated Press Washington, Aug. 20. Four reserations on the lengue of nations coveant are embodied in a separate reso lution prepared today by Senator Pittman, of Nevada, a Democratic member of the foreign relations committee. and introduced in the Senate.

Senator Pittman said the resolution was in line with the suggestion made to the foreign relations committee yesterday by President Wilson that if reservations are to be made they should be embodied in a separate resolution and not in the resolution of ratification, which might make new negotia-

Not Submitted to President Senator Pittman said the reservaions had not been submitted to the President. They are similar to those proposed by a group of seven Republican senators and deal with the right of withdrawal from the league, Article X, domestic questions and the Monroe doctrine.

The resolution follows: That when the Senate of the United States shall advise and consent to the ratification of the treaty of peace with Germany, signed at Paris on the 28th day of June, 1919, now pendwith and in consideration of the following understanding as to the present and future construction and inter-

pretation to be given to the treaty: First. That whenever the two years' notice of withdrawnl from the league of pations shall have been given by any member of the league, as provided

In Article I, the government giv ing such notice shall be the sole judge whether all its international obliga-tions under the covenant shall have been fulfilled at the time of with

No Moral Violation

Second. That the suggestions of the council of the league of nations as to the means of carrying into effect the obligations of Article X. the execution of which may require the use of military or naval forces, or economical measures, can only be carried out through the voluntary separate action of each of the respective government, members of the league, and that the failure of any such government to adopt the suggestions of the conneil of the league. or to provide such military or maval forces or economical measures, shall not constitute a moral or legal violation of the treaty.

Third. That all domestic and political questions relating to the internal nember of the league, including immigration, constwise traffic, the tariff and commerce, are solely within the jurisdiction of such government, and are not by the covenant of the league either to arbitration or to the con sideration of the council or assembly of the lengue of nations, or to the decision or recommendation of any other

### OVERRIDES VETO Action of House Repealing Measure Concurred In.

PRICE TWO CENTS

DAYLIGHT BILL

KILLED: SENATE

57 to 19 LONG FIGHT ENDS

President's Second Disapproval Ignored by Both Branches

IN FARMERS' VICTORY

of Congress "NORMAL" TIME RESTORED

Clocks Will Not Be Turned Ahead in April, as Existing Law Provides

By the Associated Press

Washington, Aug. 20 .- Repeal of the daylight saving act was accomplished today, the Senate voting to sustain the House in passing the repeal measure over President Wilson's veto. The vote Wills 57 to 10

The repeal of the law, which now

takes its place among the very few which have been passed over a presidential veto, becomes effective after the clocks are turned back to normal in October It will go down in legislative history as one of the very few measures which have twice been vetoed by President and became a law after all by he vote of more than two-thirds in both houses of Congress. When Congress assembled for the

present session, the agricultural appro-

printion bill, left over by the preceding Congress at its adjournment and containing a "rider" in the form of a repealer of the daylight saving act, was passed by the Senate and House, sent to the President and vetoed by the The veto was sustained, the "rider"

removed from the bill, which again was

passed because of the urgent public need

of the millions it carried. Fors of daylight saving, comprised chiefly of the farming element determin's ed not to be blocked in their purpose of restoring normal time, promptly offered a new bill in the form of an out-and-out repealer of the act which had been passed as a "war measure." After a bot discussion in both Senate and House the bill was passed by decisive majori-

#### ties and again sent to the President. Second Veto Unavailing

President Wilson interposed a second veto, repeating the argument he had used in his disapproval of the agricultural bill, which was that he daylight saving would "involve a seri-

"very great inconvenience." IN SECOND GAME of convincing the seemed only to intensify keen desire to eliminate daylight saving.

The veto was overriden by the convincing and by more than

ection by the Senate makes it certain that the clocks of the country will be restored to normal time next Octoher and will not be turned back in the spring of 1920, as provided by the

On the last Sunday in March of the present year, and similarly at the same time in 1918, standard time in each of the five zones of the United States was advanced one hour, and at 2 a. on the last Sunday of October of last This meant that at the hour first

mentioned all clocks and watches moved up hour phend, and with the Cubs in the second game of the double existing law the same process would
