The Lady of the Night Wind

THIS STARTS THE STORY A house party is being given at the country home of Katherine and Bingham Harvard. Among the guests is one Conrad Belknap, Katherine discovers him cheating at cards. Convinced that he is concealing his real identity and that he is there for some ulterior purpose, Katherine deterferret out the mystery. intercents a telephone call of Belkuap's to a woman confederate named Roberta. Realizing that he is suspected by Katherine, Belknap threatens to accuse of a crime her brother, Roderick Maxwilton, who is believed to be dead, if Katherine makes any move against him. Harvard becomes suspicious of Belknap and Katherine's attitude toward him. Roberta arrives on the scene under the name of Senorita Cervantez. Belknap accuses Roberta of deceiving him. She admits the secret presence of Roderick and her love for Roderick is revealed. Belknap is suspected of being in reality one Cranshaw Beldson of a father who murdered his mother. A stranger, whose face is marked with a large sear, has come to the house under the name of Carruthers. He is thought to be Brainard, of the Secret Service. Belkuan is hidden by Katherine in a secluded lodge called the Nest, from which be is unable to escape.

AND HERE IT CONTINUES

room that night, was quite content. She was smiling while she undressed and went to bed.

had already decided that she would give him a continuous forty eight hours for gin by making a statement that will merely chuckled when he heard Mr. son for C. B.'s presence."

cottages. They were greeted by a most solitary meditation before she would amaze you, perhaps, more than any. Brainard's story, and had replied: "Here is another point," Harvard cordial host and hostess, who had run

More than that, she had determined to keep him exactly where he was until amazing," he replied. "But what is was ready and willing to reveal to her the whole plot that he had in mind the statement you refer to?" his real reasons were for visiting Myquest at all-and until he told her all that he knew about Roderick.

She dropped asleep, still smiling. for Harvard had one little incident up far West-in Idaho-teaching school; his sleeve which he had not talked and I had secured a divorce from him about at last night's conference,

"Senorita," he said, "I have here something that I want to ask you to you remarried. Did you?" explain; a matter of eighteen written saw you drop this message to Mr. of directness and to be explicit. award rebellion's end.'

Harvard began to speak to her. she saw and recognized the slip of paper defy."

That he held in his hand.

The realized two things:

that it had been the Night Wind who

"I w had attacked Belknap under the tree, biguously, and explain more fully when and that he had succeeded in decipher I get to it. Something happened Sathis breath, recalling the disturbance he whom it had been intended,

She had prepared herself for just such an emergency, because she had more than half believed that it would happen; "I see, You will explain that point later, you say. But you have twice used and if the truth be known, she was. deep down inside of her, glad that it the expression, 'the man I know as that. happened.

Before she could reply to him-if, indeed, she intended to make reply, for knap?" she hesitated while she asked herself if she should resort to her tablet, or should admit by word or mouth that she was not without a voice—he added : claimed. "I should say, perhaps, that I doubt

to use your voice. I quietly. your inability heard you, before you dropped this message, call out to the person for whom it continued slowly after a moment's conwas intended-although you did make templation of Harvard's face. "I met, sufficiently penetrating. I heard you another man, I had already secured my call two letters. I will pronounce them, divorce, so there was no obstacle of that and when I have done that, and while character to our marriage. But, there you are explaining things, I wish you were two obstacles—serious ones, both rou are explaining things, I have the control of the sold stand for besides Control were two letters stand for besides Control were two letters stand for besides Control were two letters at the sold is also to inform me what other name —nevertheless. One of them was occal about it since, only to find myself again West has at least a reflection in the the girls gave a farewell party. During was not the kind he sold!
