- The Mauretania Party will be limited to fifteen persons. - "The American Way" offers tourists the results of worldwide travel experience. "The American Way" is backed by one of the oldest, largest and most responsible orgamizations in the world, The American Express Company. Its record of service to Americans in Europe at the outbreak of the war is gratefully remembered by thousands. Its war assistance to the American Expeditionary Forces and to the various organizations engaged in war activities is well known. It was the official carrier of money and parcels to British prisoners of war in Germany. Its Travellers Cheques are currency the world over.
