# SEEK PHONE RATE VALUATION BASIS VALUATION BASIS VALUATION BASIS Only Solution of Question, Bell Company Manager Tells Service Commission 8 PER CENT IS SUGGESTED Harrisburg, Sept. 18.—The Bell Tele Harrisburg, Sept.

Harrisburg, Sept. 18.—The Bell Tele-phone Company of Pennsylvania yester-day took up before the public service day took up before the public service commission the question of valuation and rates virtually where it had left off in 1917, when the commission, in order to adjust rates, ordered a reduction in revenues of \$1,000,000. The hearing today, however, was not on the company's initiative, but a result of complaints filed from Pittsburgh and the commission's continuous production of the commission's continuous productions. commission's own investigation relative gun fight Monday, when a man apper cent increase ordered as a war neasure by Postmaster General Burle-

The company went fully into valua-tion questions when the rates were ad-justed in 1917 by cutting down long-distance and toll calls. That decision streets station, the man was in hot pursuit of a crowd of about thirty men, women and children, wildly runcame after more than three years of hearings. At that time the commission did not establish a fair valuation on or other means of escaping the man or other means of escaping the man

the property or fix a rate basis.

This is what the Bell company now says is the only solution of the rate question in Pennsylvania. Leonard M. Kinnard, of Philadelphia, the president and general manager of the company, after voluminous tables of figures had been introduced to show material and wage costs had rapidly increased in recent years, said this would be a necessity.

or other means of escaping the man with the weapon. He gave his name as Salvatore Shortino, thirty-five years old, of Darien street near Fitzwater. He would give no explanation of his chase with the weapon. A knife was found hidden in his clothing when he was searched.
