London, Sept. 23.-Italy, which was reads, as follows: London. Sept. 23.—Italy, which was reads as follows:
given a free hand to bandle the problem arising out of the seizing of Fiume by Captain Gabriele D'Annunzio as a domestic affair, is said in reports current here to have made an appeal to the refused to hoboub with Urince Henry and royally before my election? While allied powers to take the matter off and royalty before my election?

If such a force is sent to the countries man, city it must not include Italian units. man, "I should go to my grave in everlast "I should go to my grave in everlast the ordered, there being no soldiers available for such purpose. American marine contingents now in the Adriatic have not taken part in any activities there, and it is said they will not be called upon to do unless positive instructions come from Washington or the Peace Conference in Paris.

SEES PROFIT-SHARING

Club It Would Solve Labor Problem

New Orleans, Sept. 23,-- (By A. P.) The solution of the differences be-tween labor and empital lies in the cheme for profit sharing. Representafive Champ Clark, of Missouri, declared today in an address at the annual W. HOBOKEN CARS HALTED onvention of the Associated Advertising

Clubs of the World. "The plan for profit-sharing." he "will require much pains and

is a matter for national congratulation and should be universally cherished. On the other hand, nobody should have any prejudice against a man because he has acquired capital provided he secured it honestly. What people really and reasonably object to is being skinned within an inch of their lives.

"Sometime next month President

Wilson will call a convention of labor, capital and farmers in Washington for a free exchange of opinions in a laudable effort to establish justice and abiding peace among them. It is a tremendous undertaking and all the men and women of good sense and patriotism hope and pray that it will result in complete success.

Abandonment of runs was begun yes terday. In presenting their ultimatum the trollegmen told of attacks they have suffered since the zone system went into effect. Sunday a gang of workers through a window with a policeman looking on. At the Public Service offices, it was said, steps would be taken to insure protection. It was doubted whether

'So far as we are concerned one of the principal questions with which we should wrestle is how to increase our our foreign trade rests, in largest measure, the future prosperity of this mighty
