

COMPERS ASSAILS ANTI-STRIKE BILL

Declares Kenyon's Proposal Is Antagonistic to Spirit of the Republic

LABOR MEN ARE OPPOSED

By the Associated Press. Washington, Sept. 24.—Anti-strike provisions of the Cummins railroad re-organization bill are opposed vigorously by organized labor, testimony of three of the foremost labor leaders has brought out before the Senate interstate commerce committee.

Gompers Attacks Bill

"This compulsory arbitration section in the railroad bill," Mr. Gompers said, "not only is unconstitutional, but is repugnant to the spirit of the constitution and antagonistic to the spirit of the republic of the United States."

Waterman Meets Death

The coroner is investigating the death of a watchman early today at the Muncie plant of the Carnegie Company.

Four Have Been Killed

Disorders incident to the strike continued in the Pittsburgh district yesterday and last night. The most serious outbreak occurred at Farrell, Pa., where one man was killed during a clash between strikers and state troopers.

ONE MAN KILLED IN BUFFALO RIOTS

Buffalo, N. Y., Sept. 24.—(By A. P.)—With the plants of the Lackawanna Steel Company, Rogers Brown & Co. and the Donner Steel Company closed and additional deputies and state troopers sent to the streets of Buffalo today, there appeared to be little likelihood of a recurrence of the trouble which led to the killing of one man and the wounding of several others last night.

Seek Shelter in Shop

Finding the shops against them the two men sought shelter in a meat shop. The crowd is alleged to have attempted to enter the building and fired a number of shots which wounded twenty-two men, said by the police to be a striker, fell with a bullet wound in the abdomen.

Too Subtle for Her

The landlady of a widely known London boarding house made a point of asking her department guests to write something in her visitors' book. She was very proud of some of the names of the people inscribed in it and of the wise things that were said.

FARRELL QUIET AFTER RIOTING

Farrell, Pa., Sept. 24.—(By A. P.)—Although all was quiet here today, following last night's outbreak, in which one man was killed and several persons were wounded, the situation was tense.

WOMAN RIOT VICTIM DIES IN NEW CASTLE

New Castle, Pa., Sept. 24.—Mrs. Sophia Johnston, who was shot in a riot here Monday night, died in a hospital last night. Twelve other persons who were injured in last night's rioting were reported to be recovering.

More Mills Shut. Idle Employees Assert

Continued From Page One. gheny valley, an independent concern, more than 90 per cent of the more than 700 American-born employees there were at work today, while only six foreign-born, out of approximately 150, were on duty.

Foster Enters Denial

William Z. Foster did not agree with the Carnegie figures. He reiterated that the strike "was spreading." He predicted that the Homestead plant would be closed down by the end of the week.

Mine Workers' Aides Arrive

The advance guard of a large number of organizers sent into the district by the United Mine Workers' Union began to arrive today. They are being assigned to Homestead, Braddock and other plants.

Attack on Foster Cheered by House

Anarchists Stirred Up Steel Strike, Says Representative Cooper

CHICAGO DISTRICT IN GRIP OF STRIKE

Chicago, Sept. 24.—(By A. P.)—While leaders of the striking steel workers in the Chicago district and heads of steel mills each claimed gains, there appeared little change today in the number of plants in operation.

CLASS HATRED SPREADING

Washington, Sept. 24.—Radical labor leaders who would overthrow the government of the United States have stirred up the steel strike as a charge made yesterday in the House by Representative John G. Cooper, Republican, from the Youngstown, O., steel district, a member of and for seventeen years a leader in the railroad brotherhood.

Asks Labor to Wake Up

Mr. Cooper made a strong appeal for American labor to wake up and realize that they are being led by men who would destroy sacred American institutions. His address was approved heartily by the House.

Never Did Day's Work

"I want solemnly to warn the workers that at this time there are many agitators who are pushing themselves into places of prominence and leadership. Many of these men do not know any business, and their lives and the press reports are true, they are stirring up a class hatred which will widen the gap between employer and employe instead of bringing them closer together."

MURDER CHARGE IS URGED FOR STRIKER

Congressman Kahn, of California, Wants Foster, Steel Organizer, Indicted

PURCHASING AGENTS MEET

William Z. Foster, secretary of the Amalgamated Steel Workers' Association, should be indicted for inciting to murder.

STATE POLICEMEN SENT TO POTTSVILLE

Reading, Pa., Sept. 24.—All members of the state police were withdrawn from this section late last night and hurriedly summoned to Pottsville. It was the general belief among local officials that their orders are due to the serious aspect of the steel strike situation in various parts of Pennsylvania.

"OFFICER" ARRESTED

Accused of Panhandling, Alleged Fake Navy Man is Caught

POTTSVILLE SEEKS FRAUD

Finding of Ballot-Box Empty May Cause All to Be Opened

Pottsville, Sept. 24.—County Commissioners W. S. Leib and E. C. Brobst have issued an order to the county computing board to throw out all the returns of Republican votes from the first precinct of the Fifth ward of Pottsville, both county and city.

TRIGG A SPEAKER

Ernest T. Trigg, president of the Philadelphia Chamber of Commerce, was consternated. He spoke of the need of increased production by all classes of workers as the soundest solution of the country's economic problems.

DISCHARGES FOR VETERANS

New York and Jersey Members of First Division Reach Camp Dix

Camp Dix, N. J., Sept. 24.—As hilariously happy as the first casualties to arrive from overseas, New Jersey and New York members of the First Division reached Camp Dix last night for discharge. They came in on long trains from Camp Meade and their trip through the towns en route, accompanied as were the results of getting out of the military, is described as a triumph.

Don't Do It

Speaking of gluttons, a wild pigeon has been known to consume 1000 grains of wheat in a single day. Gosh! That's enough to make a farmer wild, hey? Or, if it isn't quite enough, you might ask him if he has thrashed his pumpkins yet.—Buffalo Express.

We're Glad of It!

The Civil War ended more than 54 years ago, but the A. R. still has been 110,000.—Albany Evening Journal.
