A'S LOSING STREAK ALL OVER FOR 1919

Mack Confident Club Won't Drop Another Game This Year; Yanks Get Third-Place Money

D. KEEFE SURPRISES

By EDWIN J. POLLOCK THE A's lost a ball game yesterday. There's nothing peculiar about that. The significant part concerning the defeat is that it marked the close of a losing streak that started late in April.

Connie has the proper spirit. He has revised certain lines from Milton so that they now read "This better to have played and lost than never to have played at all."

In the last five campaigns Mack hasn't been able to find the road to first place, but he has discovered the key to the cellar, and since July 1 that has been viewed as the more successful achievement.

Tough on Tigers IF THE Detroit Tigers had had anything to do with it the A's would have stopped losing yesterday.

The A's are nothing if not consistent. They started the season with a defeat in the first game, and they are still losing in the first game.

HOT OFF THE GRIDIRON

As the result of his observations at the game with Vincennes Saturday, St. Paulitz, athletic director at Penna Military College, has returned Sweeney to the backfield.

Ambers held no practice on Pratt field yesterday. All the varsity men were away on a training trip.

Union footballers have begun hard work for the Williams game next Saturday.

Celinae football men went to the first taste of real football yesterday in the game with Celinae.

Various shifts took place in the Dartmouth varsity line-up yesterday as a result of the weaknesses brought to light Saturday.

Yale's football practice, in opening the third week of the season yesterday, largely confined to the backfield.

As the Brown coaches are far from satisfied with the results of the game Saturday, they have promised exceptionally hard practice for every afternoon this week.

The Naval Academy may have a star backfield in Waters, who has played such a fast and brilliant game in the past.

Wesleyans opened its second week of football practice with about forty and concluded with about thirty.

Coach Molinas, of West Virginia University, recently found that the greatest weakness of the team, as demonstrated Saturday, is in defense against forward passes.

Barrett, Black and Oliphant Among Stars to Represent "Giants" on Polo Grounds

WILL PLAY THORPE'S TEAM

New York, Sept. 30.—Professional football, with players drawn from the ranks of former college stars, is to be thoroughly tried out in New York this season.

The eleven will be known as the New York Giants, those behind the play adopting the name of the National League baseball club here.

An unusually large squad will provide strong teams for both Saturday and Sunday games if the sport takes here as it has in the Middle West.

The National Exhibition Company, which controls the New York Giants baseball team, will operate the football team.

Keefe has only three fingers on his pitching mitt, but he hurled better than any Mack twirler with the regulation five digits.

Signs for 1920

Grover Cleveland Alexander, formerly of the Phils, will not be among the hold-outs next season. He has just signed his 1920 contract to hurl for the Chicago Cubs.

REDS-SOX READY FOR "PLAY BALL"

All Arrangements at Cincinnati Ball Park Completed for Start of Big Series Tomorrow

CICOTTE TO PITCH OPENER

Cincinnati, Sept. 30.—With every available seat and every available space for standing room in the enclosure of Redland Field, supposed to accommodate 32,000 baseball enthusiasts, assigned or sold, everything appears to be in readiness for the opening game of the world's championship baseball series of 1919 tomorrow.

Today the White Sox will have Redland Field to themselves during the forenoon, while the Reds will practice during the afternoon.

At Redland Field nothing remains to be done. The new bleachers in left field have been completed, as has the press stand on top of the grandstand.

Manager Kid Gleason and twenty-three members of the Sox arrived here today from Chicago.

White Sox players are sure to hurl the opening game, with Claude Williams as the likely nominee for the second contact.

MRS. FOX TO OPPOSE NATIONAL CHAMPION

Huntingdon Valley Star Finds That Luck of Draw Fortes Her to Face Miss Alex Stirling at Shawnee Today—Mrs. Stetson vs. Miss Rosenthal

By SANDY McNIBLICK Staff Correspondent Evening Public Ledger

THE luck of the draw may throw a depth bomb into Philadelphia's chances for the match play in the going for the women's golf championship of the United States.

Even if by some fanciful break of fate both Mrs. Stetson and Mrs. Fox win their matches today, they will have to play each other in the same bracket, just as Mrs. Fox played and lost to Miss Cavery in the last national.

Experts figure that there are at least eight possible national champions in the upper bracket, with very few in the lower. This makes the going a bit tougher. But Miss Rosenthal remarked at the pairings board: "It is usually that at the winner of the hardest bracket that wins the tournament."

That is what happened at Pittsburgh, where David Herron came through the bracket including both Francis Outmit and Chick Evans without playing either and won the championship.

Maranville to Undergo Operation

New Haven, Conn., Sept. 30.—Rabbit Maranville, shortstop of the Boston National League club, who was injured in practice before an exhibition game here Sunday, has left Grace Hospital for Stratford, Conn.

Final Averages of Reds and White Sox

The following statistics, including Sunday's games, afford the final opportunity to draw a more national picture of the White Sox before the actual test on the field.
