VOTE COUNT DELAY ASSAILED BY COURT

Judge Audenried Declares "Loose and False" Petitions Will Not Be Tolerated

JUDGE LOSES THIRTY VOTES

Judge Andenried today took a definite and against the tactics of delay practiced by Vare attorneys since the primary election count began:

Aroused by one petition said to be Judge Ferguson, is sitting as an election return board, declared that "loos false" petitions will not tolerated.

The flare came with the filing of petition nimed at the count in the first division of the Thirty third ward. It was presented by Henry H. Farley, an attorney representing the Vare or ganization

The petition set forth that in the division named Judge Pattleson and been credited with only one vote, whereas it was stated be had received 273 votes. Opening of the divisional bullot-box

Judge Andenried referred to the tally sheets for the division. An examina-tion showed him that Judge Patterson had been credited officially with 274 votes in that division

The court summoned Mr. Farley for an explanation. The attorney said the petition was based on figures obtained

from the police returns. Bending forward in his chair, Judge Audencied said :

"We should not be retarded in our work here by petitions based on such false and foolish statements. If any petitions as loose and false as
