MRS. WILSON ADVISES SERVING ROAST MEAT AND HOT BREAD NOW

Keeping Stove Heated for Long Time Takes Chill Off House Before Furnace Is Started

Children Coming Home From School Want Good Solid Food and Plenty of Homemade Sweets

By MRS. M. A. WILSON Copyright, 1919, he Mrs. M. A. Wilson,

SHORTLY it will be necessary to start the fire in the kitchen range to keep the chill from the house. Let the housewife plan to utilize this heat for baking home-made breads, beans, goulashes and some of the coarse root vegetables.

Now that the children have returned to school you may expect that they will be fairly regular in their demands for food. It is very poor economy to hush this demand with the offering of a penny or two. The child who has frequent ills may have them traced to the cating of cheap
