

OLD JAYNE HOME FOR LEGION POSTS

County Committee Considering Offer—Complicated by Terms of Will

74 BRANCHES NOW IN CITY

Plans to use the old Jayne residence at Nineteenth and Chestnut streets as an American Legion club house and headquarters are under consideration today by the county committee of the soldiers' organization. The residence has been offered to the legion by Henry La Barre Jayne.

Owing to certain provisions of the will of the late Doctor Jayne, it was said today, it will be necessary for the legion to vacate the building within ninety days after a purchaser is found. This is causing the county committee to hesitate about accepting the building.

The dwelling has fifty-two rooms. It has been unoccupied for fourteen years. There are now seventy-four American Legion posts in Philadelphia.

One of these is a post in the Sixth ward, which has requested in the application for charter that they be permitted to call their unit the Betsy Ross Post. The chairman of the Sixth ward is Louis M. Washburn, 317 South Eleventh street. Its headquarters will be in Old Christ Church. The other new post is in the Olney section of the Forty-second ward. Its chairman is S. B. Beitzel, 5323 Rising Sun avenue.

At a meeting of Post No. 310, of the Thirty-eighth ward, last night in the Newtown Boys' Club a telegram was sent to President Wilson wishing for his speedy recovery.

The membership of the post was increased at the meeting from fifty to 185. Arrangements were made to conduct a smokeless night. The post expects to be one of the first in the city to establish a woman's auxiliary.

It is said that at a meeting of the local council, Friends of Irish Freedom, called for tomorrow night, all members of the legion of Irish descent or birth will be asked to resign from the American Legion unless the resolution denouncing De Valera is rescinded.

Post No. 105, Fourth naval district, will meet this evening at the Bellevue-Stratford.

SUFFRAGISTS TO AID DRIVE

Form Teams to Get \$60,000 for Shaw Chair in Woman's College

Several suffrage teams have been formed in connection with the Woman's Medical College financial campaign, beginning on October 13.

Under the leadership of Miss Margaret McK. Wilcox, of Grayford, these teams will work to raise \$60,000 to endow a chair of preventive medicine at the college in memory of Dr. Anna Howard Shaw.

Doctor Shaw as a physician stood for the physical emancipation of women through health. It is pointed out.

Among some of the workers on these teams are Mrs. George A. Dunning, Mrs. J. C. Harvey, Mrs. Edward P. Davis, Mrs. Edgar S. Gardner, Mrs. Charles Young, Mrs. Charles Berna, Mrs. George A. Piersol, Mrs. Harry E. Kohn, Dr. Lida Stewart-Cogill, Miss Biswanger and Mrs. Neil C. Anderson.

Some Fish!

A thousand-dollar goldfish, that a man could tuck away in the palm of his hand, and a goldfish that was not gold at all, but the color of purple pansy leaf who attended the final exhibition of the Philadelphia Goldfish Association at Horticultural Hall, Fairmount Park today.

Painting that stands weather and wear

Painting must face severe tests whether interior or exterior. You must have good paint, well laid on, to stand these tests. Wilson painters deliver a job that stands both weather and wear. We use good paint and have good painters. Remember our 68 years' experience.
