LONGSHOREMEN DEFY

cession to Colonel House

New York, Oct. 11.—(By A. P.)—A committee representing the striking longshoremen flatly refused a virtual ultimatom from the War Department in regard to the landling of four freight ships and six passenger ships now on their way to New York.

The War Department had announced through William Z. Ripley, chairman of the national adjustment commission, that it "intended" that the ships should be handled. Mr. Ripley asked the strikers committee if they would promise to take care of these ten ships and received a flat refusal.

On board one of the transports operated by the government is Colonel Edward M. House.

As a "concession" the longshoremen's committee stated the men would be

ON BALTIMORE TRIP committee stated the men would be willing to handle Colonel House's baggage on whatever ship he is a passenger.
