Martin, Coroner Knight and Hall Call on Candidate at United Committee Sanctum

ALL HAVE LONG INTERVIEWS

Senator David Martin, Coroner Knight and Charles B. Hall, three lead- . ers of the Vare organization, followed each other in rapid succession today in calling on Congressman Moore at the headquarters of the united Republican campaign committee in the Lincoln Building.

The visits of the Vare leaders were regarded by the Republican nominee for Mayor, as "a real example of united republicanism."

The congressman arrived a little earlier than usual at his headquarters and immediately received Senator Martin, organization leader in the Nine-teenth ward. The senator's visit, as well as the calls paid by Knight and Hall, was said to have been the re-sponse of the Vare organization to the invitation extended by Congressman Moore to work with him at his new headquarters for the election of the whole Republican ticket. Senator Martin reached the office shortly before the congressman arrived. He conferred with Murdoch Kendrick, campaign manager, after shaking hands tin, organization leader in the Nine-
