

REDS REPORT TWO CITIES RECAPTURED

Seize Towns South of Petrograd in Dashing Attack—Tobolsk Falls

GERMANO-RUSSIANS BEATEN

By the Associated Press
 London, Oct. 24.—A Bolshevik official report received by wireless claims that Red troops have recaptured Pavlovsk and Tsarskoye-Selo, fifteen miles south of Petrograd, from the northwestern Russian army, by a dashing attack. Many prisoners were taken. The advance continues.
 The report further states that the Bolsheviks have recaptured Tobolsk, on the Siberian front, from the army of Admiral Kolchak.
 Germano-Russian forces in Lithuania, commanded by Colonel Virgolitich, have been defeated by Lithuanian troops in two encounters, according to an official statement issued from Lithuanian headquarters at Kovno.
 Near Sukselinki, south of Vinn, the Germano-Russian forces were defeated, while near Karslavayev, southeast of Vinn, they fled from the field, abandoning all their arms and ammunition.
 One thousand prisoners were captured by anti-Bolshevik forces when the city of Krasnyin, in the Volga valley north of Saratov, was taken, according to a wireless message quoting an official statement from General Denikin's headquarters. Don Cossacks, the statement says, have occupied Pavlovskaya, a Cossack village in the province of Kuban, capturing 500 men.

The Bolsheviks are considering the evacuation of soviet Russia, according to reports reaching General Denikin. The reported plan is for the removal of the cabinet to Tashkent after the abandonment of Moscow and the withdrawal of the troops on all fronts to Turkestan. (Similar reports reached Copenhagen October 14 from Helsinki.)
 Honolulu, Oct. 24.—(By A. P.)—Nikolai Lenine, Bolshevik premier of Russia, has been captured by anti-Bolshevik forces, according to a wireless message picked up by the Japanese ship Tenyo Maru, in the harbor here. The

Lipton Sails for U. S. to Inspect Shamrock IV

London, Oct. 24.—Sir Thomas Lipton, challenger for the America's Cup, will sail for New York on the liner Carmarthen tomorrow. Sir Thomas plans to remain in the United States for ten or twelve days for the purpose of making an inspection of his yacht Shamrock IV, with which he hopes to lift the cup.

message gave no further details of the reported capture of Lenine.
 Numerous unconfirmed reports have been received of the capture of Lenine and the foregoing Honolulu dispatch is apparently belated.

INVITE ASTOR WIDOW TO RUN

British Conservatives Want Her to Succeed Husband in Commons
 Plymouth, Eng., Oct. 24.—(By A. P.)—The Conservatives have decided to invite Viscountess Astor to become the Coalition Unionist candidate to succeed her husband as a member of the House of Commons. The Viscount's accession to the peerage causes the seat to become vacant.

A London dispatch Tuesday, dealing with the question of the parliamentary seat held by Lord Waldorf Astor, says he is obliged to vacate because of the death of his father, the late Viscount (William Waldorf) Astor, and his succession to the title, said the dispatch.
 Lady Astor, who was always taken an active part in campaigning and speech-making for her husband, according to the English custom, is popular with the voters. She was formerly Mrs. Nannie Langhorne Shaw, of Virginia, widow of Robert Gordon Shaw, who was married to Mr. Astor in London in 1909.

DIDN'T KNOW WAR WAS OVER

Christmas Islanders Wanted to Fight Landing Party
 Auckland, N. Z., Oct. 24.—(By A. P.)—The British dreadnought Iron Duke, with Admiral Sir John Jellicoe aboard, has picked up two white men and a native on Christmas Island, who threatened a landing party from the battleship with revolvers, believing the sailors to be Germans.
 They did not know that the war was over, having been cut off from the outside world for eighteen months.

PRESIDENT'S OFFER SCORNFUL BY KAISER

Wilhelm Refused Seriously to Consider Peril of Intervention by America

COMMITTEE IS AMAZED

By the Associated Press
 Berlin, Oct. 24.—President Wilson's peace offer was a matter of little concern to the German emperor, according to evidence presented before the subcommittee investigating the war. Furthermore, intervention of the United States apparently was not seriously considered by the emperor.

The incident caused a sensation and occurred during the examination of Count von Bernstorff, formerly German ambassador at Washington. The Socialist deputy, Doctor Sinsheimer, turned toward von Bernstorff and said: "The Kaiser's telegram, to which you refer, dated January 16, 1917, and addressed to Herr Zimmermann, foreign secretary, says literally: 'His majesty instructs me to thank you for your communication. His majesty does not care a bit about President Wilson's offer. If a breach with America cannot be prevented, it cannot be helped. Events are developing.'"
 There was much excitement at the hearing when the message was read. Dr. Karl Helfferich, the former vice-chancellor, whispered, "nonsense."
 Doctor Sinsheimer maintained that the peace conditions sent to President Wilson on January 28, 1917, which were said to be the same as those Germany offered on December 13, 1916, were really nothing like them.
 Every one present appeared as-

tounded at this statement, and Count von Bernstorff exclaimed excitedly: "Then I am told this today for the first."
 Count von Bernstorff emerged un-ruffled from the strenuous cross-examination of the morning session, during which he reiterated his opposition to submarine warfare and declared he had constantly cabled Berlin to prevent it. He declared that Germany's refusal of President Wilson's proposals was the worst conceivable policy. He intimated that if his advice had been followed Germany would have had a better peace than at present.

The former ambassador asserted that when President Wilson heard that the United States was to begin its former attitude of good will toward Germany, turned to stern ill-will. The President, he added, became convinced that Germany wanted a German peace and to rule the world, while President Wilson wanted a more lasting peace, with freedom of the seas.
 The subcommittee adjourned until October 31, when Count von Bernstorff, the former imperial ambassador, will be examined, and if necessary, be confronted with Count von Bernstorff.

Saturday's Extraordinary Fur Specials

These attractively grouped Specials form the most interesting news we have ever issued on the subject of "Low Prices on Furs," and because of their extremely low levels, cannot be approached, let alone equaled, by other stores who today seek to make their regular profit.

This newest Store, in its great ability to serve Philadelphia, and in its confidence that the public will make this Fur Headquarters, has pared down prices—and the evidence that exists in this advertisement will prove doubly effective and doubly interesting when you visit the store.

United States Grain Corporation Will Sell Flour to Wholesalers and Jobbers

The United States Grain Corporation is prepared to divert from its flour purchases, and to sell and deliver to wholesalers and jobbers straight (either soft or hard) wheat flour, clean and well milled, packed in 140-pound jute sacks (gross weight), basis of \$10.25 per barrel, delivered in carload lots on tracks in territory east of the Illinois and Indiana line, and east of the Mississippi River, from Cairo to the Gulf.

Wholesalers and jobbers in purchasing flour from the United States Grain Corporation must guarantee not to sell at more than seventy-five cents per barrel additional, and the wholesalers and jobber in turn must require a guarantee that the retailer will not sell at more than \$1.25 per barrel over the wholesaler's prices, in original packages, and at a price not higher than seven cents a pound for broken packages of any size.

All applications originating in New Jersey, Pennsylvania, Ohio, Indiana and the Lower Peninsula of Michigan must be sent to the undersigned.
