By the Associated Press

Paris, Oct. 20.-Governmental and municipal authorities and coal merchants admit the impossibility of finding a remedy for the situation which has arisen here because of the coal shortage. Although cold weather has not yet really begun, Paris is already feeling the pinch and there is some suffering in the poorer quarters of the

Coal stocks in Paris amount to approximately 20,000 tons, with only 3000 tons arriving daily. The city needs 10,000 tons per day in cold weather. TURKEY'S FINANCES GOOD

000 Loan Needed for Expatriates Constantinople, Oct. 28.—(By A. P.)—Turkey's finances are in better shape, perhaps, than those of any country in Europe, according to reports. She has one gold piece of every four in paper, it is said on good authority, and an effort is being made to borrow \$4,000,000 partly for the purpose of repatriating 200,000 prisoners now in Egypt, India, Russia and Central Asia. WORLD REVOLT PLOT IMPRESSES FRANCE

tion on Nov. 7 Brings Attack on Peace Treaty

Paris, Oct. 20.—(By A. P.)—The arrest by the Swiss police of representatives of the "International Youth" organization, having in their possession unlimited propaganda fixing November 7 as the date for an international revolution in Spain, Italy, France and Switzerland, has caused a deep impression in political circles in France.

The opponents of the peace treaty are making use of the discovery in the political campaign, and are attacking the treaty on the ground that the guarantees are insufficient. The plot was organized at Stuttgart by the "Communist Bolshevist Youth" organization, and the date, November 7, was chosen, because it was the anniversary of the overthrow of Kerensky by Lenine. The propaganda is addressed to the committee of the central Seine Socialists youths and also to the French central committee of the all-Socialists youth of France.

The possibility of a general strike on November 7, where the strike on November 7, was discussed at The possibility of a general strike on November 7 is being discussed at numerous meetings held outside the pale of the general federation of labor. The Extremist party is taking advantage of the absence in America of Leon Jouhaux, president of the federation, to organize a strike over the heads of his lieutenants, who do not wield as much authority nor command as much pres-tige as M. Jouhaux.

Luxembourg, Oct. 28.—(By A. P.)—
Grand Duchess Charlotte of Luxembourg and Prince Felix of Bourbou-Parma will be married here on November 6 by Bishop Micotra, papal nuncio.

Prince Felix was born at Schwarzau September 28, 1893. Unlike his brothers Sixtus and Xavier, who served in the Belgian army, he entered the Austrian service, although he declared at the beginning of hostilities he would refuse to fight against the French. refuse to fight against the French.

Owing to Prince Felix's war service there was some hostility to his marriage to Grand Duchess Charlotte, but the latter declared it was a love match and that she would wed no other.

Some things we order done impersonally. Marking down short lots of goods-remnants-for Coupon Day-is of that class. You know how it is to rummage at home-you take up one thing after another and, sure that it will become useful, you put it back again. Your rummaging doesn't really amount to much.

We knew a man who ran a store that way—until finally the store was full, just of odds and ends and him and the sheriff. And we then declared we'd keep our Store cleared of short lots-and we issue the mark-down order and the work is done without sentiment.
