Parigi, 3 novembre.—Ii Supremo Concilio della Conferenza ha deciso di inviare un'altra nota alla Rumania, confermante la richiesta fatta nella nota mandata il 17 ottobre dai governi francese, inglese ed americano, ma non rimessa da alcun rappresentate del gorerno italiano. Ill governo rumeno non avrebbe risposto a detta nota perche' l'Italia non vi era compresa.

La Delegazione Italiana a Parigi ha espresso la sua sorpresa che la nota non e' stata mandata auche da parte dell'Italia.

non e' stata mandata anche da parte dell'Italia.

La richiesta nella nota inviata alla Rumenia e' quella che le truppe rumene siano ritirate da Budapest.

Notizie giunte alla Conferenza della Pace indicano che le sofferenze della popolazione in Vienna sono intense, come pure in Budapest, per la mancanza di viveri e combustibili. La situazione in Budapest e' resa poi grave dalla presenza delle truppe rumene le quali avrebbero fatto bottino sopra i viveri ed ogni specie di vettovaglie, senza riguardo alle raccomandazioni del Supreme Concilio.

Il Supremo Concilio ha oggi approvato uno schema di trattato da essere
concluso tra gli Alleati e le potenze associate e la Grecia, concernente la
protezione di razzi ed altre minoranze.

Il Concilio ha anche deciso di
richiedere il governo polacco di aprire il traffico sopra certe ferrevie che

Concilio esaminera la questione del

SOVIET BANS FIRST NAMES

Peter Petkof Will Be "Petkoff One"

V Oldest Child Stockholm, Oct. 15 .- (By A. P.)-

Leaders of Iussia's soviet government have banned the giving of Christian names to children, it is reported, because they are considered "reminiscent of the

reactionary system." It is expected an order will be issued soon forbidding their use.

Numbers are to be substituted. Thus three children of a family named Petkoff may, in future, be known as "Petkoff one, two and three," respectively.

THE CHAS. W. SCHAFFFR CO.

Paris, Nov. 4.—The public campaign for the election to the Chamber of Deputies of Captain Jacques Sadoul, the army officer against whom court-martial proceedings for treason are pending in connection with his defection to the Russian Bolshevists, was begun at a meejing of the Socialist party. Captain Sadoul's name appeared on the program as "honorary president" of the meeting, although he is still with the Bolshevists in Russia.

Among the speakers the most picturesque was Madame Laumoneau, a woman with flaming hair, who urged the election of Sadoul while awaiting the coming of a social revolution which should establish him as the "people's commissary."

commissary."

Captain Sadoul's friends here have initiated legal steps to defer the courtmartial until he returns as he intends.
