An Opportunity for just 100 Men

Read This NEWS of a Different, Better Method ONE HUNDRED MEN are now

forming a Syndicate of \$100,-000 for the purpose of buying leases in proven territory under the direction of one of the most successful and widely known Geologists in the entire Western and Southern fields. The Corporation will be under the direct management of ex-perienced Oil Operators and successful Philadelphia business

THERE ARE 100 UNITS FOR 100 MEN AT \$1000 EACH. Each of these 100 men enters the Syndicate upon exactly the rame terms.

If you buy a \$1000 UNIT, your interest in the Corporation will be upon precisely the same basis of any Officer, Director or any

of any Officer, Director or any other stockholder. There is not a share of promo-tion stock and not an "inside" or "ground-floor" offer of any kind different from the offer to be made available to you. Every dollar paid into the Syn-

dicate will be held by a Phila delphia Bank as Custodian, and in the event the \$100,000 Syndiis not completed within a stated period, your money will be returned to you in full by the

preferential issue of any character whatsoever against the Corporation. It will enter the oil fields for the purchase of leases and producing properties with \$100,000 CASH in bank. The offer is limited as to time, owing to the terms of agreement, and is available only in UNITS of \$1,000 each.

Remember that we will accept only 100 subscribers. We anticipate an early closing of our offer. Act promptly.

We employ no agents or salesmen. None will call upon you. The entire proposition will be forwarded to you by mail, to look over, by addressing a postal

here was 91 inch of precipitation at
lew Orleans and Charlesten, 96 at Saannah and 1.46 at Tampa.

larity. The movement upward was led by December, and many stop loss orders were reached in all positions.

Among the influences were predictions of unsettled and warmer weather, higher prices for hogs and stiffness in the cash article. The tightness of the latter was aggravated by car shortage, which compelled shorts to cover.

The buying side appeared to be gaining adherents, due to the bullish showing of cotton and securities.

B. W. Snow estimated the yield per the securities.

There was a good deal of realizing.

There was a good deal of realizing above 38 cents for December and 37,50c for January, but there was also trade buying and rebuying by pre-holiday sellers, which carried the active months about 75 to 93 points net higher.

said that the quality is the highest reported for many years.

Outs were firmer, although the market met considerable pressure early and was inclined to drag for a time. Offerings were well taken, with continued free buying by a leading Omaha concern. The big bulge in corn forced shorts to cover.

The properties the quality is the highest reported for many years.

There was a little more cotton for and 37.12 cents for March, which caused reactions of 10 or 15 points.

The receipts at the ports for the day are estimated at 45,000 bales, compared with 45,315 bales last week and 27, cover.
