Chief of Police Romanus Fellman was to get an increase in salary equivalent to \$1000 a year.

When war was declared Chief Fellman quit the police force, as he was a captain in the National Guards. Later he was promoted to major. At the time Fellman severed his connection with the police force he was receiving a salary of \$1400 a year. Recently the watch and lamp committee, of which Elmer Beideman is chairman, agreed to give Major Fellman \$2400 a year if he would again take charge of the police department.

Town council has ratified the action of the watch and lamp committee, which holds good until January 1, 1920, when the new town councilmen take their seats.

STREET CAR DYNAMITED

Explosives Used in Knoxville When Nonunion Crews Operate Trolleys

Knoxville, Tenn., Nov. 7.—(By A. P.)—Major General E. M. Lewis, commanding federal troops in Knoxville, is investigating three attempts to dynamite street cars manned by non-union crews and the firing into a car during the last twenty-four hours.

Two of the attempts to blow up cars

Two of the attempts to blow up cars failed because dynamite placed on the tracks was not primed with percussion caps. The third attempt was more successful, a dynamite explosion shattering glass in a passing car and demolishing the tracks. No one was injured.
