BUSINESS NOTES

The steamship services between Lison and Brazilian ports which were in rrupted during the war have been re-

The tone of the leather market improved greatly during the last week, and on the better inquiry for the com-moner variety of dry hides prices were

Retail Jewelers in all sections of the country report that their sales for Oc-toher were larger than for the same period of any previous year in the history of the industry.

While the women's apparel wholesalers are turning their thoughts and plans toward spring, the first touch of winter weather brought some addition-al fall business into the market.

Finished cotton goods of all varieries continued in strong demand inst week with prices showing an upward tendency, but purchases of gray or un-finished goods by converters and print-ers were less than the week before. Prices of gray goods remained firm and other pelts.

gained slightly over the previous week. Limiting American export to the bare crop Cubas reported on Saturday,

cents.

ufacturers auxious to cover their recausing great concern in banking and commercial circles.

The import of coal into Switzerland during the month of May, 1919, totaled 145,511 tons. Of this 19,917 tons were from Belgium, 34,036 from the Left Rhine district of Germany, 11,332 from the Right Rhine district of Germany, 7345 from France, 1054 from Austria and 827 from Luxemburg.

Colder weather last week brought the retail furriers more business but not enough to effect more than a slight

The standard print cloth, known as 64-60, 383½ inches wide, sold freely at 1914 cents a yard during the middle of the week. It closed last week at 19 saving by the general public in this country to provide sufficient funds to Women's appared manufacturers, in naticipation of the opening of their spring season within a week or two were active in the woolen and worsted goods market last week and gave a stronger tone to prices. The unwillingness of mills to accept large orders for spring has made the garment manufacturers anxious to cover their reduction of our trade balance, which is

Colder weather last ween brought the retail furriers more business but unchanged at 9 cents less 2 per cent for not enough to effect more than a slight cash for fine granulated. Importations of raw sugars on last Friday and Saturskin branches of the trade. Squirred skins appeared to be in greater demand among manufacturing furriers than other pelts.

GAIN IN STEEL ORDERS

Unfilled Tonnage as of October 3 Totaled 6,472,668

New York, Nov. 10.—In its monthly statement issued at noon today, the United States Steel Corporation re-ports unfilled orders on its books, as of October 31 last, of 3,472,668 tons. This compares with 6,284,638 tons on September 30 last, an increase of 188,-030 tons, and with 8,353,293 tons on October 31, 1918.

This is the fifth consecutive month Sugar Market Conditions Unchanged
New York, Nov. 10.—Sugar market
conditions are unchanged. Refiners are
still refraining from booking new business, their efforts being centered on
catching up on back orders. Prices are
unchanged at 3 cents less 2 per cent for
cook for fine granulated. Impactation.

tourage increase might have been nearer half a million tons, but for the strike, Comparisons of unfilled toninge on the 10th of each mouth since 1912 fol-
