

THE BATTLE WITH THE BULLDOG OF YALE WILL BE THE TIGER'S FAREWELL EFFORT OF 1919 TWO SCORES BY PENN ON PITT IN 4 YEARS

Panthers Have Held Red and Blue to Pair of Touchdowns Since First Game in 1915

MANY QUAKERS HURT

By EDWIN J. POLLOCK
POP WARNER, the boss of the Pittsburgh Panthers and recognized champion of coaches, says he cares nothing for a defense. He is frank in admitting that the only defense he has is his offense, and a glance at Penn-Pitt scores of the last four years bears out the statement of the master tutor.

The Quaker has come to blows with the Panther four times, and in that quarter of games only two touchdowns have been scored, while Pitt has shown a running attack that was good enough for 85 points, which was composed of 12 touchdowns and a field goal.

On the other hand, the Pennsylvania system calls primarily for a defense and then for an offense, and this also is borne out in the statistics, despite the top-side figures of 87 to 13 in four games. Discarding for the minute the 1918 contest, Pitt has scored 7 touchdowns on the Quakers, and considering the great average of 11.25 points per game, this is a tribute to the Red and Blue defense.

Two Great Fights
The first battle with Pitt was waged in 1915. The Panthers won after a great fight, 14-7. The following year the Quakers overcame the Swoaky and lost 20-0. Another memorable tilt was staged at Franklin Field in 1917, with Pitt victorious, 14-0. Last season the S. A. T. Quakers won the tilt by the Panthers, the Red and Blue dropping the decision by 37-0.

A singular fact concerning the game this year is that virtually the same team that faced the Panthers in 1917 will battle for the Red and Blue this year. Pitt, on the other hand, has virtually a new eleven.

Two years ago Heine Miller and Joe Van Ginkle were the ends; Carl Thomas and Eddie Maxnard, the tackles; Jerry Jerald and Herb Deiter, the guards; Wray, the center; and Holl, Light, Stratus and Berry, the backfield. The only ones who are not on this year's squad are Van Ginkle, Berry and Jerald.

At the end Ray Miller is better than Van Ginkle, and Alex Wray is as good a guard as Jerald. However, Brunner in the backfield does not compare with Heine Miller.

But, all in all, the Quakers appear to have as good a team if not a better one than in 1917. Warner has lost most of his wonderful movement, and their places have been filled with men reputed to be not half as good. On paper it would seem that Penn has a much better aggregation.

They, however, has come fast, and they will catch the Quakers when they are at the height of their power on Saturday. The Panthers reformed after their beating from Syracuse, and have trimmed Georgia Tech, Lehigh and Washington and Jefferson in succession.

Many Penn Cripples
Unless the physical condition of the Penn eleven improves Warner will find it difficult to put together a team that will be a match for the Panthers. The Dartmouth game was rough on the boys, and all of them are carrying bruises and scars of the encounter.

Herb Deiter is suffering from a badly swollen and bruised ankle, and it is doubtful if he will be able to return to the practice field. Bud Wray has a cut and swollen lip, and Bud Hopper is nursing a twisted shoulder.

Johnny Hitzel's face is beginning to look like Charles Kid Thomas's "mump," and he also has two severely bruised ribs. Light, Derf and Thomas also are in poor shape.

HOT OFF THE GRIDIRON

NEWS of the kind Tiger rosters want to hear is contained in the announcement today by Bill Roper that Stan Keek, the lefty left tackle, will again be in the line-up when the whistle blows for the Yale game next Saturday. Stan is an older more professional player than the one who preceded him to enter the game, and his debut at left tackle means that Higier will be released and a battle-royal will ensue between Davis and Higier for the left wing job, with the odds favoring Shad Davis for his brilliant playing of late. Secret practice was again on the boards yesterday. With the single exception of Keek's return to the gridiron, it looks as though the line-up will be unchanged at New Haven. Wither's calculated blocking of the whirling dervish of a Yale line-up of heady play which justifies his retention in the backfield quartet.

"Decorate Villain" would sound as title for a play written about the Stallion football team at Harvard. The Yale varsity ball team at Harvard was defeated by a part of Saturday's game at Princeton, but an appearance in the arena, however, least no time in starting the season working on conditions of the game. Leo Leary, Jim Logan and Bill Logan were the stars in this fall, and next Saturday Bill Fisher will go down to watch the Blue against the Tiger.

The Yale football team took a day off yesterday, only Captain Tim Callahan and Howard Campbell of the players who were in the line-up last Saturday visiting the Bowl, where the second varsity met the Blue in a fifteen-minute scrimmage. The remaining players were given an afternoon of walking exercise for general conditioning purposes. All the squad are in tip-top condition except Frankie Frew Web, who complained that his side troubled him. An examination showed that he had broken two ribs in the Brown game. He expects to be able to play against Harvard a week from Saturday.

The entire varsity team, with the exception of Woodman, center, and Barton, right guard, took the field for practice yesterday with the College football squad. In Woodman's place was Dromie, and Barton, exceptionally well in warm game with Rochester here last Saturday, and in Barton's place was Conroy.

Far from being disheartened at the 20 to 0 defeat at the hands of Yale, the Villanova squad was out for practice yesterday in earnest preparation for the Army game at West Point on Saturday. The Gettysburg squad does not indicate the superb exhibition put up by the Main Line team. Captain McSheehan's playing was the outstanding feature of the game.

Frank Canavery, captain of the Columbia eleven, has been dismissed from the squad by Coach Fred McLaughlin, who has decided to join the navy before the season opens, but who returned to college this fall. He has been chosen by the college authorities to play left end in all games this season.

Most of the Brown regulars came through the Yale game in good shape, although Al-bright and Brike received injuries that may keep them out of the Dartmouth battle this Saturday at Boston. Brike, however, is expected to be in good condition by the middle of the week.

Coach Bowers yesterday began to rebuild the Dartmouth team by holding practice for the men who did not play in the game on Saturday or who played but a short time. The problem of forming a new

The Goat Is Dead; Long Live the Goat!

Annapolis, Md., Nov. 11.—Failing to make good on his first trial and letting Georgetown defeat the midshipmen on Saturday one brown goat, "Billy," has lost his chance of going in glorious raiment to the army-navy football game in New York on November 29 as the honor guest of the regiment, Mike Corley, cheer leader, is authority for the statement that his place will be taken by a big white goat with an evil disposition. The midshipmen are not going to pin their faith on a mascot who makes such an in-auspicious showing the first time.

Americans Show Class
The North Philadelphia Americans gave a slight sample of their ability at Moose Hall last night, when they took Trenton into camp to the tune of 31 to 17. The Pot's franchise really showed some signs of life, and as a result of a little teamwork and passing managed to make the season's record so far for field goals with eleven.

William did not show up on account of injuries received in Saturday's game and Dunleavy took his place, while Brown moved back to guard and Gross to forward. Here Jimmy had the chance to run up the floor and shoot a few goals. He dropped in four on Billy Lloyd and Al Cooper thought that was enough to give Jimmy a chance to try to lead the team.

Johnny Mahoney, of Hazleton, has two Philadelphia engagements this week. He will box Eddie Miller in the Cambria Friday night, and the next evening will appear on the National program.

Jimmy Murphy of West Philadelphia, has been training together Larry Hanson, Leo Stahl and Frank Britton with the semi. Other bouts are Young Fulton vs. Jack Perry, Happy Jack McWilliams vs. Tyrone Costello and Willie Nelson vs. Lew Minsk.

HERMAN WANTS CRACK AT KILBANE'S CROWN

Confident of Trimming Lynch Tomorrow, Bantam Champ Will Issue Defi to Feather King

122 POUNDS, RINGSIDE

By LOUIS H. JAFFE
PETEY HERMAN is confident of winning from Joey Lynch at the Olympia tomorrow night—so much so that the champion is preparing to seek additional laurels. Not being satisfied with the possession of the bantam title, Herman announced today that he would issue a def to Johnny Kilbane, 122 pounds, ringside.

There is a difference of only four pounds between the bantam and featherweight limits, said Herman, "and, frankly, I believe that I would be stronger at 122 pounds than at 118. I have seen Kilbane show in several contests, and I am of the opinion that if a match is arranged at the featherweight limit I will prove myself a twin-fighter."

Announcements to the effect that Lynch and Herman are to meet at 118 pounds were issued for the New York Herald Tribune, who was handicapped because the crown will be lifted from Herman's brow. Pete said today that he was down to 113 pounds and probably would answer the bell at that weight.

Since being discharged from the United States navy on February 10, Herman has participated in a total of nineteen bouts, and so far this season has been the luckiest of the New York bantam champions. He has defeated Williams and has since he deposed Kid Williams, Herman plans to continue boxing regularly.

They both came through the opening week without a defeat, and the winner of tonight's clash will have long possession of first position. From the present trend of events Manager Dave Dennis is due to receive a few of the breaks.
