first and smallest class will be made up the origin of fairy stories. The second and much larger class will be all young persons who are fascinated by the wonders that the fairies can do.

THE LAY ANTHONY

A romance. "His art has never been truer and more impressive than will find it a veritable wonderpiece of fiction."—St. Louis Post-Dispatch.

\$1.75.

THE SINISTER REVEL: A Novel by Lillian Barrett—The picture of a reckless, brilliant Society in a kaleidoscopic setting. \$1.75.

BODY AND RAIMENT: Poems by Eunice Tietjens—"A notable volume. The work of a very rich personality."—Chicago Eve. Post. \$1.25.

THE JEW PAYS by M. Delafield—Brilliantly written the fairles can do.

The book contains fifteen tales based on Chinese niythology. There are, for example, tales that suggest "Beauty and the Beanstalk" and "Cinderella." They differ in detail from these famous classics of the nursery, but at bottom they are essentially the same. The "Cinderella" story is about a young girl who is not loved by her parents. She has one play-thing, an image of the goddess who is merciful to women and children. One night she hears her father and mother plotting to kill her to get her out of the way. She escapes while her parents are also in the grandly changed. The pool of the mursery by her parents, story is about a young girl who is not loved by her parents. She has one play-thing, an image of the goddess who is merciful to women and children. One night she hears her father and mother plotting to kill her to get her out of the way. She escapes while her parents are also in the grandly actually the same that the fairies can do.

The book contains fifteen tales based on Chinese niythology. There are, for example, tales that suggest "Beauty and the Beans," "Jack and the Beans," "Jack and the Beans, "Indeed the mursery, but at bottom they are essentially the same. THE L

What the Rich Can Do

A special edition of three copies of a novel is an unusual event in the publishing business. The Century Co. announces that they have given permission to a Boston printing house to print and bind three copies of "Nilppy McGee," by Marie Conway Cemier, "Slippy McGee," by Marie Conway Ce

WAYS OF THE FRENCH WHAT WAR CAN INTERPRETED FOR U.S. DO TO A MAN

A novel of London social and political life today which casily touches the high level set by SONIA, the book by, which McKenna won so many admirers in America. Sonia marries O'Rane, who, blinded in battle but unconquered, romantic, quixotic to a fault, settles down with her in a London house which becomes the center of a whirling smart set. The reader, swept away on a relentless current of society, becomes a fascinated witness of a strange drama of human love and hate and forgiveness. Mr. McKenna has never shown so deep a penetration into the hearts of men and women, his art has never borne a harder test. He has achieved a remarkable and absorbing story of a metropolitan society life that has been stirred to its very bottom by the past five years.

of service and of all grades of intellect touched by anything against his will to French methods of doing and modes. But he was taken captive by the Ger-

of the war made assured analysis and fair judgments of manners and men virtually impossible. Then there was the difference of American and Gallic labits in details and of American and Latin entiture, using the word in an embracive sense, in many fundamental traits and esential-attitudes.

That many of the adverse impressions of France and the French brought back by Americans, even the most intelligent, were falsely founded is demonstrated in "French Ways and Their Meaning," written with all Edith Wharton's keenness of vision, graces of siyle and surety of design.

a study in dramatic psychologizing than its predecessor. "Like a Book" is a satific piece, aimed at certain fiterary circles in New York. "Between Firest's a hot-blooded tabloid melodrama of Italy. "There's a Difference" is also ironic, revealing youth's perennial jbing at sober-sided indifferential jbing at sober-si

but he remarks there is no such need now.

The book has all the charm which is associated with want the brilliant Irishman writes. Although the tales are mere episodes, they have a dramatic quality which noves the reader. In spite of the remark of the author that there is no need of exhibiting the wrongs of the French people, many persons are disposed to forget what Geramany did. They cannot forget if they read Dunsany.
