Williamstown, Mass., Nov. 15.— The entire Williams student body at-tended yesterday's practice, the last before the Amherst game, which winds up the season today and the customary celebrations took place. The varsity squad gathered around a bonfire, each throwing a piece of his football outfit into the flames. Williams believes its blances for victory are fine. The larg-est crowd that ever saw a Williams Amherst game is predicted. Only a signal drill was held yesterday.

Amberst, Mass., Nov. 15.—The Am-herst football team was put through a final signal drill yesterday before the big Williams game today, upon which bangs the success of the season. Only one of Amherst's cripples will be unable to start the game, Charley Vail being kept on the side lines as a substitute, while Cummings will take his place at left tackle. Davidson will fill the berth on the left wing. RIVAL QUARTERS MEET Former Schoolmates Meet in Trinity-Lafayette Contest

HEAL TWICE WINNER

Toledo Cue Expert Takes Two Matches in Three-Cushion Tourney Johnny Mahoney, of Hazleton, con-ceding height, weight and reach to his opponent, won from Eddie Mullin in the main bought at the Cambria Athlet-ic Club last night. Mullin started working better toward the close of the bout, bet in the first four rounds he continually fell back before Mahoney's attack. Mullin received a wide left hook on the nose that started the blood flowing in the third. Mahoney tried desper-ately to get over a decisive wallop, and there was not much retaliation on the part of Mullin for the first four rounds. The Philadelphian tried to jab, but most of the straight lefts went over Ma-honey's head. Mullin might as well have left his right hand back in the dressing room.
