Makes Participation of U. S. in Workers' Congress Contingent Upon Congress

### By the Associated Press

Washington, Nov. 18.—Plans shaped up in the Senate today for a final vote on the treaty Thursday, under a compromise program which many senators thought would result in ratification.

### Why Europe Objects

In the last few weeks everybody has been approaching Great Britain and France as to the possibility of their acceptance of these proposed reservations.

### Substitute Motions Opposed

The bill reservation group reached another decision which was regarded as virtually sealing the fate of the many proposed reservations on which the Senate has not yet acted.

### LABOR PROVISIONS UP

The Senate spent several hours on the first proposed reservation to the labor provisions.

### ONE LABOR RESERVATION WINS

The Senate's first action of the day, the Senate voted today on a reservation, precluding the United States entirely from the labor provisions.
