New York, Nov. 21.—George Gibson, former major league catcher and manager last season of the Toronto Internationals, will be tendered a contract to manage the Pittsburgh Pirates by Owner Barney Dreyfuss at the National League meeting here early in December, according to reports here.

President Barney Dreyfuss, of the Pittsburgh National League Club, would make no comment on the report.

"NOTHING DOING!"—BAN

Johnson Snorts Contempt and Refuses to Show "th' Papers"

Chicago, Nov. 21.—Ban Johnson expresses contempt for proceedings in New York in which Messrs. Coniskey, Ruppert and Frazee addressed a letter to him demanding him to submit "the papers" of the league to their representative, Nicholas F. Jenson, to show what his relations to the league are.

This, Johnson says, will positively not be done, as he is not compelled to show any documents to some one who is not affiliated with the organization.
