Resents Payment of \$120 to Civilians When Soldiers Get Only \$60

109TH INFANTRY HAS POST

Protest against the payment of a \$120 Protest against the payment of a \$120 bonus to civilian employes of the Frankford Arsenal is voiced in a resolution of Post No. 68 of the American Legion, of which Dr. Thomas E. Matlack, 2302 East York street, is the commander.

The bonus is based on an act of Congress and is just twice the amount received by the soldiers who served here and in France upon their honorable discharge. The soldier receives a \$60 bonus. Post No. 68 inquires why a civilian employed in an arsenal in this country during the war should be doubly rewarded.

It is the request of Post No. 68 that

rewarded.

It is the request of Post No. 68 that the resolution be brought before the Philadelphia county committee of the legion at its meeting in the assembly room of the Chamber of Commerce, Widener Building, next Monday evening, when the plan of reorganization will be passed upon.

"As for the bonus, a man who enlisted or was called into the service, and was not taken off the rolls of the arsenal, but still kept on the list of enployes, does not receive his bonus because he was man enough to fight."

This post is located in the Thirty-first ward, which contributes a number of employes to the Frankford Arsenal.
