He was a son-in-law of the late John Arnot and Mario; secretary, Miss Lucia Cichitti; treasurer, Mrs. Vittoria Falsetto; floor manager, Mrs. Teresa Lupetina. Mrs. C. C. A. Baldi; Mrs. A. Cantore; Mrs. P. Di Francesco; Miss E. De Francesco; Mrs. P. Garramons; Mrs. M. S. Gargano; Mrs. G. Gerardi; Miss J. Gerardi; Mrs. J. Iorio; Mrs. M. Marotta; Mrs. R. Moliterno; Miss A. Polidoro, Miss A. Palermo; Mrs. C. Rago; Mrs. M. Varallo.

HAS HE BEEN ROBBED?

Question Puzzling Man Who Finds Burglar Tools in Office

General Welch was president of the National Guard Association of New York state. In the Spanish-American War he commanded the Sixty-fifth Volunteer Infantry. His last military service was as commander of the depot units of the Fourth Brigade on the Mexican border.

Sir Guy F. Laking

London, Nov. 24.—Sir Guy Francis Laking, keeper of the king's armory in Windsor Castle, died Saturday. He was born in 1875 and had written much on armories and art objects of Windsor Castle, died Saturday. He was born in 1875 and had written much on armories and art objects of Windsor Castle, died Saturday. He was born in 1875 and had written much on armories and art objects of Windsor Castle, died Saturday. He was born in 1875 and had written much on armories and art objects of Windsor Castle, died Saturday. He was born in 1875 and had written much on armories and art objects of Windsor Castle are Pagin and Saturday and found a nile of burgiar tools in front of his oldic carly today and found a nile of burgiar tools in front of his oldic carly today and found a nile of burgiar tools in front of his oldic carly today and found a nile of burgiar tools in front of his old-fashioned key safe. Inside the safe on Saturday night were \$200 in cash and \$1000 in Liberty Bonds.

But Boas doesn't know whether they been stolen or not. because whoever tampered with the safe jummed the door of it and the keyhole so badly as to leave a job that'll test the skill of any expert safe manufacturer to open.

The thieves entered the office by means of a fire escape.

An expert is now working on the safe.

SUGAR COMING HERE

Several Steamships From Porto Rico Due This Week

In the hope of relieving conditions the sugar equalization board has or-dered 300,000 tons of Porto Rican sugar. Several steamships carrying car-goes of the product are expected here

this week.

In addition to this sugar many car-loads of best sugar are due here in the next two weeks from the West.

Sugar obtained at the previous price of nine cents will continue to be sold at eleven cents. The price of fourteen cents a pound will only be allowed on sugar bought from the new supplies.

Young Woman Dies of Poison The young woman who was found dying in bed in a room at 1014 Mount Vernon street, yesterday, has been identified as Mary Tittler, twenty-three years old, 624 North Eighth street. She died last night in the Hahnemann Hospital. Physiciaus say she suffered from heroin poisoning. The physiciaus are looking for a foreigner, short, dark and slender, waring eyeglasses and au army coat. He is said to be the last of the physiciaus who saw the girl.

PALMER IN WASHINGTON Attorney General Returns to Work HATFIELD SEES END After Brief Rest

Attorney General Palmer left this city for Washington on the 8:04 train this morning, greatly improved in bealth after a week-end visit at the Chester home of Governor Sproul.

Mr. Palmer went to the Governor's home Saturday, and in the afternoon the two officials witnessed the defeat of Haverford football team by Swarthmore, where they both attended college. Mr. Palmer, the Governor said, was not ill, but was in need of rest. The attorney general's original plan was to visit either Atlantic City or his Strondsburg home after his visit in Chester, but his condition was so much better today he decided to return to his work in Washington.
