Supreme Council Acts on Failure of Germans to Sign Protocol

U. S. WON'T LEAVE COBLENZ

By the Associated Press. Paris, Nov. 24.—The Supreme Council today decided to send the German delegation a note in reply to the one submitted by the Germans informing the council of the departure for Berlin of the plenipotentiaries sent in connection with the protocol guaranteeing the carrying out of the armistice terms, which Germany has been informed she will have to sign before the peace treaty is put into effect.

CAN'T AGREE ON PLATFORM Labor Party Committee Still Wrestling With Resolutions

Chicago, Nov. 24.—(By A. P.)—When the national convention of the Labor party met today the report of the resolutions committee which was named last Saturday was the first order of business on the program. After the large resolutions committee worked all day yesterday without being able to agree on a number of important questions, a subcommittee of five was assigned the task of preparing the new party's platform.

Delegates representing several farmers' organizations announced their opposition to a proposal to include in the platform a plank advocating the nationalization of land, and also asserted that it was their belief that a declaration against prohibition would alienate agricultural bodies.

LEGISLATOR TRIED BRIBERY Ohio Official Pleads Guilty, but Will Not Serve Time

Columbus, O., Nov. 24.—(By A. P.)—Representative Frank DeLahanty, of Cleveland, today pleaded guilty in the Franklin county criminal court to charges of attempted bribery during last winter's legislative session in connection with the attempted passage of the Chiropractors bill.

State Department Awaits Answer to Note Demanding Release of Jenkins

CARRANZA CABINET MEETS

Washington, Nov. 24.—The American government's note demanding the immediate release of William O. Jenkins, American consular agent at Puebla, is understood to have been considered by the Mexican cabinet last Friday, the State Department announced today.

The department has not yet received the answer of the Mexican Government to the American note calling for the immediate release of William O. Jenkins, the American consular agent at Puebla, Mex., who was arrested and sent to the penitentiary shortly after his release by kidnapers near Puebla. It is understood that the Mexican cabinet had the note under consideration Friday and that Governor Cabrera, of Puebla, has been formulated, based upon alleged evidence that he actively assisted persons in rebelling against the Carranza government.

Dangerous Night Air

Some malicious spirit attributed the freshness of country air to the fact that the farmers kept their windows closed.

For generations people were told that night air was dangerous—hundreds of thousands of people still believe it. Very slowly the truth will be passed on until in a few generations even the most timorous will be unafraid of ventilation.
