

HERO DEAD TO STAY ABROAD TWO YEARS

Paris Decides U. S. Bodies Must Remain Till French Begin Exhuming Own

START BEFORE JAN. 1, 1922

By the Associated Press
Paris, Nov. 25.—The 65,000 American dead in France must be left in the graves they now occupy until the French are ready to exhumate their own dead, which it is hoped will be before January 1, 1922.

The foreign office had promised to consider the latest request of the American government for the return of its fallen soldiers, but later the following official announcement was made.

"It has been definitely decided that the Allies who fell together for the same cause should remain together in death until circumstances permit of the returning of the bodies to the families for whom they sacrificed themselves."
The proposed law specifies a delay in exhumation of three years from the promulgation of the law, but it is expected that this period will be shortened. At the foreign office it is said to be probable that the exhumation will commence considerably before January, 1922.

Washington, Nov. 25.—Arrangements have been effected by the War

Department, through the Graves Registration Bureau, for the care of the bodies of American dead whose relatives express the wish that they be not removed from French soil. The preliminary steps already have been taken to obtain the consent of the French Government for the removal of all the bodies that are to be brought back to the United States, but in many instances such a course would be contrary to the specific wishes of the next of kin of the deceased.

It is announced that the Graves Registration Bureau will avail itself of a number of cemetery sites granted by the French Government. These cemeteries will be used for interment of the bodies of American soldiers only, and will be maintained by the United States Government in a similar way to the national cemeteries in this country. Several of the sites offered by the French Government or by municipalities of France are very beautifully situated.

GERMANS WARNED OF DELAY

Responsible if Treaty is Ineffective December 1, Says Allies' Note

Paris, Nov. 25.—(By A. P.)—Surprise at the departure of Doctor Simon, head of the plenipotentiaries sent by Germany to this city in connection with the armistice protocol, was expressed in a note delivered to Kurt von Lersner, head of the German delegation at Versailles, by the supreme council last night.

If the treaty of Versailles is not put into force by December 1, the note adds, the responsibility will lie with the German Government. Doctor von Lersner is asked to state what are the intentions of the German Government. Von Lersner sent a letter to the Peace Conference last Friday to the effect that the head of the plenipotentiaries must consult the German government regarding the protocol, especially as the National Assembly would have to approve the decisions reached.

Among the counsellors named are Bishop Andor Leopold, a Roman Catholic, and Rev. Doctor Szabo, a Reformed churchman.

SALE OF ARMY WRIST WATCHES

\$4

Guaranteed 20 YEARS JEWELLED ADJUSTED

PRICE DURING THE WAR \$15
A CHANCE TO PURCHASE A WRIST WATCH REALLY CHEAP.

When the Armistice was signed the 11th of last November, we had hundreds of these watches in the process of manufacture, and were selling them to soldiers like hot cakes at \$15.00 each. They are strong, rugged, beautifully jeweled and adjusted timepieces, made according to specifications for army use, and most anybody knows what that means—a lifetime timepiece. Now that the soldiers are all supplied we shall offer the balance of the stock (about five thousand) at \$4.00 each.

Every one is mounted on a real heavy leather Kitchener strap like cut. We will fill mail orders at the same price for three days. The sale over the counter will probably last not more than two days. Whether you buy here or by mail, every one will be sold with the distinct understanding that the money, every cent of it, will be refunded if a better looking or better wearing or any better quality of watch can be bought elsewhere for less than \$12.00. It is an army watch. That's all you need to know. Our 20-year guarantee is packed in box with each watch. The price by mail will be the same (\$4.00) in lots of one or one hundred.
