M'ADOO AROUSES MINE OWNERS' IRE

Declare Statement of Huge Profits Is Campaign Material of Politician

SAY WORKINGS RUN AT LOSS

William Gibbs McAdoo's charges that bituminous operators made "shocking and indefensible" profits in 1917 brought stinging retorts today from big coal operators here.

Mines of Two Classes He Says: "Operators will have mines which produce low profits and other mines which produce good profits."

CAPTAIN OF ENGINEERS discharged, desires suitable employment; age 43, married, U. S. citizen, 24 years' experience in engineering of supervision of large electrical plants and installations.

Solving Payroll Problems: All payroll work must be faced squarely as an item of overhead. You can reduce this operation to its simplest terms...

International MONEY MACHINE COMPANY: This machine lists and adds the payroll, tells the exact amount of each denomination that must be drawn, counts the money into envelopes, checks payroll, balances cash and keeps a printed record of the amount put into each envelope.

SURE BILLY DANSEY DIED FROM ATTACK

County Physician Issues Certificate Calling for Inquest in Case

EXPOSURE THEORY SCOUTED

The certificate calling for an inquest over the body believed to be that of three-year-old Billy Dansey was received this morning by Coroner Charles Cunningham, of Atlantic county, from Dr. Louis R. Souder, county physician.

Gen. Waller to Address Engineers: Major General L. W. T. Waller, commandant of the United States Marine Corps, will speak at the luncheon today of the Engineers' Club of Philadelphia.

Mechanical Engineers to Meet: Henry Hess will deliver an illustrated lecture on "Color Photography" tonight before the American Society of Mechanical Engineers at the Hotel Adelphi.
