### Why You Should Buy a Used Car Now!

There are many reasons-here are only a few: First, because many persons, instead of storing their cars during the winter, sell them at big sacrifices and buy new cars in the spring. Second, because now is the between season time and there are more cars than buyers. Third-and this relates to the second-cars were never so cheap and you can save from \$200 to \$400 on a car. And this third reason is the best reason of all!
