COL. C. L. FURBUSH GETS HEALTH POST

Moore Appoints Prominent Army Sanitarian to Directorship in Cabinet

INDORSED BY DR. KRUSEN

Chronology of Career of New Health Director

Born in New York city, December

Graduated from Medico Chirurgi-cal College, 1893; University of Berlin, 1894; University of Heidel-

July 27, 1896, to October, 1902, United States army, assistant surgeor to chief sanitary officer of the Department of Havana. October, 1902, to October, 1916,

practiced in Philadelphia. October 1, 1916, until February, 1917, when relations were severed special assistant to Ambassador Gerard, at Berlin

May 10, 1917, to December 10, 1918, major to colonel, United States

medical reserve corps. December 12, 1918, member Rockefeller Institute Commission to Central America to study yellow fever July 18, 1919, decorated for distinguished service by the King of

November 21, 1919, received dec oration of Companion of the Order of St. Michael and St. George from

Prince of Wales. November 28, 1919, appointed director Department Public Health.

Colonel C. Lincoln Furbush has been cabinet of Mayor-elect Moore, Announcement of the appointment was made late vesterday.

In announcing the appointment of cotor Furbush, Mr. Moore said: Doctor Furbush, Mr. Moore said:

"I have saked Doctor Furbush to take the position because of his spleadid record as a military officer and his general sil-around equipment for the important position he is to fill. Doctor Furbush has no embarrassing political connections and will devote his entire time to the work of the department. The fact that he has been a soldier, and was for a time connected with General Gorgas in sanitary work in Havans, the city of the services of an official of wide experience and special training for the important work ahead."

The appointment of Doctor Furbush to direct the public health work of the city is expected to be generally approved. Known as a sanitary expert. Doctor Furbush has had a long and varied medical career.

of one man or a set of men, the method that the Russian radicals are attempting.

At the bistory conference, Dr. James Sullivan, New York state historian, cautioned the instructors not to be mere phonographs and not to be propaganda, he continued, the teacher should not steer away from the vital topies of the day. He said questions of capital and labor and other big questions of capital and labor and other big questions of contents in England. They said that the big vote crived was an indication of the city is expected to be generally approved. Known as a sanitary expert. Doctor Furbush has had a long and varied medical career.
