One of the Pleasantest Sights in the World Is a Jolly Christmas Crowd

The Empty Nests in the Trees That the Robins Left

make us lonesome for their return.

Beginning today, let us start the building in our hearts of nests of pleasant thoughts of those who have, for a long time, built beautiful nests for us to

A sweet surprise, if only a little thing, can make this Christmas time tell our dear ones, and others whose kindness we have felt, that we have never forgotten them. Some of us may not be able to sing a note, but there is none who cannot set some other's heart a-singing!

Pompadour Silks the Fashion for Dance Frocks

Nothing, surely, could be prettier for the new puffed effects, for flying panels, tucks and frills than these same soft, beautiful silks with their Pompadour flower printings.

In the Silk Store today there is a special display of the newest colors and designs and suggestions as to other silks to use with them in making up these frocks. Some are white with brightly hued knots of flowers. Others are in pale blue, maize of pink, with colored flowers shading into the background. We are very glad indeed to have

these silks now when they are so fashionable and so hard to get. 36 inches wide and \$4.50 a yard. (First Floor, Chestnut)

The Young Women's Salons Have Fine Winter Coats, Suits and Dresses at Much Reduced Prices

Prices are the only thing impaired about them! Otherwise they are new, fresh and most desirable Winter garments in charming fashions. Some have been here but a very little while, but sizes are beginning to break and assortments are sometimes not quite complete, so we are hastening them all out by means of new and much

Warm Winter Coats Now \$25 to \$300

And they are most wanted now-with cold weather here at last! Fine and fashionable Winter fabrics make them-soft wool velours, silvertones, Bolivias, peachbloom cloth and silky duvetynes. There are scores of smart styles. Many are trimmed with rich furs. All have been much more expensive.

Tailored Suits Come Down to \$32.50 to \$165

This includes trim little suits for sports or business or everyday, as well as handsome fur-trimmed suits for dress occasions. Velours, broadcloths, tweeds, duvetynes and other materials, in the popular colors of the season and any number of becoming,

youthful styles. Cloth Dresses Are \$20 to \$110

And within this range a girl will find smart serge dresses, stunning duvetyne models, good-looking frocks of tricotine, as well as velvets and some silks. There are plenty of blue dresses and other dark colors, the styles are new and delightful, and the dresses were marked, originally, very much more.

All are in 14 to 20 year sizes. (Second Floor, Chestnut)

Women's Ribbed Silk Hose "Seconds" at \$3.75

On first thought \$3.75 seems considerable to pay for second-grade goods, but the imperfections in these are so slight as to be scarcely noticeable, and if these stockings were first grade they would be very

close to double this price. Heavy ribbed, full fashioned, thread silk stockings in black and white. Just 540 pair of them.

> The Gift of a Kermanshah Carpet

is a gift for the years. It is something more. It is a treasure gift. A lover of Persian rugs has called Kermanshahs "gems of the loom." In color and design they are picturesque and elaborate beyond probably all other rugs. A familiar effect is the medallion center with a surrounding field of soft ivory covered with floral designs in delicate pinks, blues and greens.

These are rugs of beautiful texture and exquisite decorative quality, unique in their suitability for drawing rooms and receptions. The selection that we are showing is the only one of its kind in Philadelphia in the beauty, variety and excellence of the rugs which it comprises. Kitchen Cabinets Off-Set the Scarcity of Cooks

One of the reasons women keep cooks is to save their own time and trouble. And that is where the saving ends—on all other counts a cook is an expense and invariably wasteful.

A good kitchen cabinet will save time and trouble, too. It will save endless walking from one end of the kitchen to the other, because it brings nearly all your work right under your hand, at one place. An excellent type is made of solid oak. The interior is white enameled, with rounded corners-no crevices. There is a sliding table with a porcelain top, a steady bread board, a block for a food chopper, a patent flour bin, easy of access, and all sorts of

containers and utensils ready to hand. Prices are \$57, \$65, \$70, \$72.50 and \$80. Kitchen tables, chairs and stools nearby.
